Kurzbeschreibung Best Seller and over 300 5-STAR Goodreads ratings Winner of Best Character Development Award at Ever After Author Affair Event 2015 A story of love, a story of hope. How can you move forward when you're anchored to the past? When it comes to tattooed bad boys, Chase Gartner was the real deal. Partying, engaging in meaningless sex, getting into fights--Chase indulged in it all during his late teen years, thus firmly solidifying his status as a heartbreakingly gorgeous but way-too-dangerous-to-trust guy in his hometown of Harmony Creek, Ohio. Then, following one fateful night of reckless decisions, Chase's actions finally caught up to him and landed him in prison. Now, four years have passed and Chase finds himself a free man. He returns to Harmony Creek, ready to pick up the pieces and start rebuilding his shattered life. Things are off to a promising start when he meets Kay Stanton, a young woman with a tragic past of her own. Despite a powerful attraction, Chase and Kay are naturally hesitant to become involved. That's why friendship feels like the safest option. But when passions ignite and love blossoms, a relationship that is destined and meant to be can only be resisted for so long. When Chase and Kay finally succumb to their feelings they realize being together feels more right and true than anything they have ever experienced. But their love is soon tested. Chase's wild past still haunts and tempts him, and Kay is keeping a secret that could tear them apart. I Stand Before You is a journey of hope and forgiveness, coming to terms with the past and moving forward. But mostly it's a story of two damaged people who take a chance, open their hearts, and find true love. New Adult/Contemporary Romance genres. First in a series. Next novel, Never Doubt Me, is available now! ***warning: contains explicit sexual situations, drug use, some violence, and profanity***
