**Von Kay Arthur : Israel, My Beloved (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Israel, My Beloved (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Only half way through and love it!Von Ein KundeI am Jewish, yet I am not very religious. Lately I have been feeling the need to become closer to my religion... keep in mind, I am only 15. I am only half way through "Israel, My Beloved" and I have a greater understanding and sympathy for my heritage. While it is known that we are "the chosen people",

sometimes I wonder if we are "the chosen people" to be persecuted all throughout time. I don't think many people understand what we, as a religion, have had to go through. I think this book was written incredibly well, and it portrays the history of Judaism in an awesome way. I wish more people would be open-minded and learn about different religions, rather than persecuting them. I already have a list of people I will be recommending this outstanding book to. Everyone should read "Israel, My Beloved"- it is truly a one of a kind book. A must read!

0 von 0 Kunden fanden die folgende Rezension hilfreich. Best Book I Have Ever Read! Von Shelby Waters What a treasure "Israel, My Beloved" is! I read it over 2-3 days - I just could not put it down. I have shared it with all of my "reading buddies" and they all come to the same conclusion. You will never look at the Jewish nation again in the same way after reading this book. The mix of Biblical accounts as well as historical events makes this book stand head and shoulders above the rest. I would love to see Mrs. Arthur write other books along these lines (examples: the stories of Ruth, Esther, and Mary the Mother of Jesus). Someday I would like to meet Mrs. Arthur in person and let her know how very much I enjoyed her book. I am an avid reader. and besides my Bible, Israel my Beloved is truly the best book I have ever read.

Garwood Israel....My Beloved....How that phrase will send chills through your mind by the time you have finished this book. Kay Arthur is one of the best writers around. This book takes you back in time to witness one of the greatest love stories ever told. It's so easy to get sucked into this store. At times, I felt like I was walking among the nation. To the entire world, this woman was just a Jew..... You will weep, cheer and think...really think! May you take each page of this book and cherish it like fine fruit. This is a great gift for any true romantic at heart. If you take the time to make it though the 444 pages, you will receive such a blessing. So, as Kay says.... Hangth Thou In There, O Baby! It is a trip worth taking!

**Kurzbeschreibung** When Israel, My Beloved first released, it immediately captured the #1 spot on the CBA hardcover fiction bestseller list and stayed on the list for months. Kay Arthur's dramatic, epic style novel is now available in softcover with a beautiful new cover and a historical timeline that corresponds with the fascinating retelling of Israel's story. History comes alive as Kay begins with the tragic mistakes that led to Israel's captivity by Babylon and takes readers all the way to the modern-day miracles of triumph against all odds. A heartwarming novel filled with adventure and suspense, Israel, My Beloved is an incredible testimony of God's great love and faithfulness even in Israel's darkest hour.
