Einfach toll!!Von Book LoverNell Burns steht vor der vielleicht schwierigsten Aufgabe in ihrer Karriere und ihrem Leben: Sie soll dem Cousin ihrer Chefin mitteilen, dass letztere an einem inoperablen Hirntumor leidet und nur noch wenige Monate zu leben hat. Wie soll Nell diese furchtbare Nachricht bermitteln? Was soll sie Lieutenant William "Crash" Hawken sagen, in den sie seit sie ihn zum ersten Mal gesehen hat heimlich verliebt ist?Crash kann es nicht fassen. Ausgerechnet er, der durch seine Ttigkeit in der Gray Group mit dem Gevatter Tod auf Du und Du steht, kann nicht mit dem bevorstehenden Ableben seiner Cousine umgehen. Nell versucht ihm in dieser schwierigen Situation

beizustehen, Crash will sie jedoch nicht an sich heranlassen. Gibt es eine Zukunft für die beiden? Admiral Jake Robinson ist seit drei Jahren der Lebensgefährte von Daisy. Die beiden sind absolute Vertrauenspersonen von Crash, den sie seit seiner frühesten Kindheit in den Schulferien bei sich gehabt haben. Die beiden haben einen absolut wundervollen Weg gefunden, ihre letzten gemeinsamen Momente zu genießen und zu feiern. Nell und Crash begleiten das Paar in diesen letzten Wochen. Und ein Jahr nach Daisys Tod geschieht das völlig unfassbare: Crash wird verdächtigt, einen tödlichen Anschlag auf Jake verübt zu haben. Absolute Spitzenklasse!!! Die tiefe Liebe zwischen Jake und Daisy hat mich mehr als nur bewegt. Wie die beiden mit ihren letzten gemeinsamen Momenten umgehen, zeigt ganz deutlich, welche wunderbare Beziehung die beiden geteilt haben. Brockmann hat diese fabelhafte Atmosphäre auf ganz subtile Art und Weise beschrieben. Toll!!! Die Romanze zwischen Nell und Crash ist dagegen einfach nur verblasst. 3 von 4 Kunden fanden die folgende Rezension hilfreich. Brockmann is one of the *very* best romance writers today! Von Ein Kunde I have read almost all of Brockmann's books, and to me this is the very best of her many outstanding books. I strongly regret that I just read the book now, in March, 1999, too late to nominate it for the Romance Writer's of America's Favorite Book of the Year award. I do hope it wins the RWA published author award, the RITA. It surely deserves it!! This author just keeps getting better. The emotional intensity in this book was unbelievable. And the teamwork of the SEALs A-Team really added a whallop to her fantastic, action-packed climax. I really like this continuing series and am trying to find all the previous books I missed before I knew how great Brockmann is. By the way, in response to the remark of the other critiquer, it wasn't until you mentioned it that I realized this was packaged as a Christmas book. I didn't think about that at all. I was just so stunned by the book and Brockmann's genius. :) 0 von 1 Kunden fanden die folgende Rezension hilfreich. Really like Brockmann, but this is NOT a Christmas book Von Ein Kunde I really like Brockmann and she is the only series author I buy - and I read a lot. I have been working my way through her published list and especially like her SEALs books. So, when this one came up on .com as soon-to-be-released, I ordered it. And liked it. My complaint? It is packaged as a Christmas book, but has nothing to do with the season. The action, which takes place over two Christmas holidays a year apart, could have just as easily taken place at Valentine's a year apart or during the Fourth of July a year apart. Except to change the decorations for the big wedding held for secondary characters to hearts or US flags, the season that the story took place in has nothing to do with the plot, character development or much of anything. In fact, it was depressing as a Christmas story. A really great adventure romance, but a bad Christmas story. I believe that Brockmann is releasing her first big format romance this spring (1999), so maybe she was rushed to get out a completed book for this Christmas, but packaging this book this way does a truly good story a disservice.

Kurzbeschreibung Something Worth Fighting For As Christmastime settled quietly over the countryside, Navy SEAL William "Crash" Hawken was faced with a deadly conspiracy. And he had only one person to turn to the caring passionate Nell Burns. For though Crash had long ago accepted the fact that there was no place in his dangerous world for the simple pleasures of home and family, Nell had been the only woman who had ever tempted him to dream of another kind of life. Now, as he needed Nell more than ever before, he was beginning to see all that they could have together. What the future might be. If only he could be assured that they had one.
