**Von Ellie Adams : It Had to Be You** before purchasing it in order to gage whether or not it would be worth my time, and all praised It Had to Be You:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. An OK readVon KleeA fast-paced, easy book. The beginning was clumsily written and a little flat, but got better as the book progressed. Nothing new, nothing exciting. The whole "she got dumped and it's all over YouTube" was just way

exaggerated.2 von 2 Kunden fanden die folgende Rezension hilfreich. This has to be it, your next chick lit read! Von Miss Page-Turner Lizzy Spellman is one of the funniest chick lit girls I've had the pleasure to accompany on her disastrous journey to happiness. We clicked on the first page when Lizzy is in this awful costume and is called on stage to sing karaoke in front of a horde of wedding guests and get dumped by her boyfriend. And then a YouTube video of the whole scene goes viral. What a terribly awkward start to the story! Of course I was instantly hooked and couldn't wait to find out what else Ellie Adams had planned for her heroine. Lizzy and Elliot are not your typical adorable chick lit couple. He's a grump. She is disappointed in men after being dumped in front of a huge crowd. The two are pretty different characters. Elliot is always disapproving and hesitant at letting people into his life, whereas Lizzy is bubbly and outgoing. You think Lizzy can break his shell? IT HAD TO BE YOU is like a quick-witted and modern retelling of Pride and Prejudice. He seems so rude and unapproachable at first and Lizzy is instantly convinced that he's stuck up. Still, between misunderstandings and confusions a solid and beautiful friendship develops between the two. Their friendship makes up a good part of the story until they finally get a chance to test their romantic feelings for each other. Which was a welcome change to the love stories that feel too intense too fast. I could really use a sequel to the story so that I can find out what happens next in Lizzy and Elliot's love story. Friendship in general is a brilliant aspect of this book. Poppet and Nic are Lizzy's best friends. And they are such fun friends who made the story a much more enjoyable read. As much as you want a happy ending for Lizzy, you want it for her friends, too. Like many others of my favourite chick lit books IT HAD TO BE YOU is set in London. This very urban and colorful setting holds so many possibilities. One of them is Lizzy working in PR. And the PR work was hilarious. Usually, I'm not very into reading so much about what characters are doing at work every day, but Lizzy's job experiences really gave the book an uplifting and warm spirit. Lizzy's work scenes were probably my favourite part of her story. I couldn't count how often I texted a friend to share the hilarious jokes. They are too good not to be shared! 4,5/5 \*\*\*\*/\* IT HAD TO BE YOU - This has to be it, your next chick lit read! Lizzy Spellman is a character you want to meet. She's funny. She's lively. And I could relate to her really well. Lizzy's awkward and hilarious situations, and secondary characters with actual, outstanding personalities make IT HAD TO BE YOU an especially memorable read. I read Ellie Adams' new book in one sitting while on vacation. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Gorgeous, funny eBook! Von Tanja Wunderbar und lustig geschrieben! Gute-Laune-Buch! Liebe geht die seltsamsten Wege. Ein schnes Buch ber Freundschaft, Familie und Liebe, es ist kurzweilig geschrieben.

Kurzbeschreibung The worst break-up ever . . . Could be the best thing that has ever happened to her Lizzy Spellman has been dumped. At a party. While wearing a Henry VIII costume. By the man she thought was The One. Someone even filmed it, so now shes a massive YouTube hit sensation too. Just when she thinks things can't get any worse, she meets the rudest, most cynical man in the world, and gets a new mission in life. To prove him wrong. Love does exist, and shes going to find it . . . Pressestimmen "LOL-fest tale of a girl who becomes an unwitting online star. Five stars." (Heat Magazine) Werbetext Have you walked past your true love today? A hilarious and heart-warming modern love story for fans of Mhairi McFarlane and Lindsey Kelk.
