WonderfulVon BeaIt's complicated - or exactly not. I'm quiet in love with all the characters Julia Kent brought to

paper and somehow to life! She did a pretty good job and i hope to read more about them all (and please soon).

KurzbeschreibungFrom New York Times and USA Today Bestselling Author Julia Kent:Hot make-out session? Check. With the dreamy obstetrician? Check. While her best friend is in labor?Um... It's Complicated.Josie Mendham never meant to have her own (radically different) set of gasps and moans a few doors down from where her best friend, Laura, was giving birth. And stealing away with the obstetrician who was consulting on Laura's case certainly wasn't part of any birth plan.When Dr. Alex Derjian watched the foursome enter the labor ward he did a doubletake: two dads? That defied biology as he knew it. Even more intriguing was the woman with the birthing mother and the fathers: Josie, the nurse he'd been watching from afar for months. One elevator kiss led to an on-call room soiree and soon he was breaking every romantic rule in his playbook.Finding his way into her pants wouldn't be hard.But into her heart? That would be a challenge.As Josie's niece, Darla (from theNYTBestsellerRandom Acts of Crazy) moves in and her best friend, Laura (from the NYT BestsellingHer Billionairesseries), becomes consumed by motherhood, romantic comedy meets New Adult romance in this novel that asks whether people can get out of their own way and learn that love isn't easy...but it's always worth itKurzbeschreibungFrom New York Times and USA Today Bestselling Author Julia Kent:Hot make-out session? She writes romantic comedy with an edge, and new adult books that push contemporary boundaries. From billionaires to BBWs to rock stars, Julia finds a sensual, goofy joy in every book she writes, but unlike Trevor from Random Acts of Crazy, she has never kissed a chicken.
