Von Detra Fitch Michelle "Mickey" Coleman had always been the smart one of the group. Just her IQ intimidated men! But during Jessica's bachelorette party Mickey had a temporary lapse of sanity. She disappeared with John, an intern from work, for a one night stand. She had no idea John videotaped them together. Now Mickey is being blackmailed by John. Either she goes to John's apartment when he wants her or his was going to ruin her career in the astrophysics field. Mickey needed to hire professional help to get the tape from John. Dominic

"Dom" Cordano was undercover (think Mafia). But when the lady, obviously in disguise, wanted to pay him to break into someone's apartment to get a video tape, he agreed. Everything instinct he had told him to say no. Yet he ended up playing his role to the hilt and helping Michelle. While together one night they ran into Amber, the Boss's abused wife. Mickey stopped to comfort Amber who had just been beaten. Soon afterward Dom said his final fair well to Mickey. But it was too late. When one of the bad guys fell in love with Amber, they decide to go on a date behind her husband's back. And she insisted that Dom had to double date with Michelle. Like it or not, Michelle was about to be in the line of fire!***** Now this one has some serious action in it! An awesome addition to what is becoming an addictive little series. Jessica makes a few cameos which made the story even more realistic to me. Readers, this is an author to keep your eye on. She seems to get better with each book she writes! Recommended! *****Reviewed by Detra Fitch of Huntress Reviews.

Kurzbeschreibung Mickey Coleman has a whiz-kid IQ, a stellar job in astronomy and ambition to boot. So how can she slip up? When a sexy one-night fling results in a homemade videotape, Mickey is feeling a new kind of heat she's being blackmailed! And there's no one to turn to for help. Unless you count Dominic Colucci, a coffee-swilling gangster she hires to steal the tape, who's definitely got her pulse racing! Dominic Colucci can't figure out how flashy "Foxy Smith" could weasel into his life so fast. All he knows is that's not her real name. But Dominic has his own secret identity to worry about and can't afford to get involved with the sexy siren. So why isn't he ignoring the stars in Foxy's eyes or the promise in her kiss? Well, 'cause it has happened for them! Kurzbeschreibung Mickey Coleman has a whiz-kid IQ, a stellar job in astronomy and ambition to boot. So how can she slip up?
