meiner Lieblingsbcher Von Leserin Sehr englisch, sehr surfer-style, sehr VW-Bussig. Dieses Buch hat mich vor allem durch das Setting berzeugt, aber auch durch die Charaktere. Der Plot hat mich berzeugt, obwohl ich skeptisch war, es klang mir in der Beschreibung alles etwas zu weit hergeholt, ist aber so beschrieben, dass man sich vorstellen kann, es wrde so passieren. Fr mich knnte noch ein klein wenig mehr Romanitk sein zwischen den beiden Hauptpersonen, aber auf jeden Fall ein guter Roman.

Kurzbeschreibung When Carrie's fianc Huw suddenly calls off their wedding, and she finds out hes marrying another woman, shes devastated. Desperate to get away, Carrie jumps at her best friend Rowena's suggestion of a road trip in her VW camper van. But when Rowena has to pull out and Matt Landor, an old friend of Huw's, ends up filling the breach, she's not so sure. Will fate take the pair on an altogether different journey? Now, I am patiently waiting for Ashley to write me another story." - Bookhounds "Much like Elizabeth Bennet and her Mr. Darcy, Carrie and her doctor's relationship gets off to a rocky start with plenty of bickering and misunderstandings, but you cheer them on from the very beginning.
