Ich lese normalerweise nicht viel, aber It Started With A Kiss konnte ich nicht mehr beiseite legen und habe es in zwei Tagen durchgelesen! Es war spannend bis zur letzten Seite. Wie mein Titel schon sagt - es ist was fr hoffnungslose Romantiker ;-) Auch die ganzen

Hintergründe werden sehr bildlich beschrieben, sodass man sich alles sehr gut vorstellen kann. Ich hoffe es wird bald verfilmt :-)

It started with a kiss This just sounds so out of a movie. Being in love with the best friend, thats never easy. Romily decided to tell Charlie about her feelings. If only she hadnt. Charlie doesnt share the same feelings and their relationship as best friends really suffers, because of that. To be honest, I really hated how Charlie treated her after that. I wanted to like him, but Then the mysterious stranger came along and they kissed. I instantly knew, that there had been something special between the two of them. Romily is a great character. I share her passion for music and I think its great that she is in a band with her best friends. I want that too. Her friends are all so lovable and their relationship is just amazing: true friendship

I love the idea of creating a blog for the quest. I think it was also a way for Romily to express her feelings about this whole situation. I must say as a reader I really felt for her the whole time, with her ups and downs and I just wanted PK (Phantom Kisser) to turn up. But he didnt, and he didnt

About Charlie again. Well I really got to like him, when he started treating her differently and because PK didnt turn up, I suddenly wanted Romily to have a happy ending with Charlie, but I knew I wanted PK too, what a bad situation ;) The atmosphere and tension between Charlie and Romily seemed to grow page after page. Of course PK had to appear once and logically only near the end of the story. I wont tell you whether Romily ended up with PK or with Charlie. Just one thing: There will be at least one surprise and some misunderstandings. However, the most important thing is that Romily ends up with the love of her life. I loved reading about the band and their gigs. As I am a musician too, its always great to read about music. One little thing that bugged me about the book, that it just didnt seem realistic to me and some turns just didnt make sense to me. The writing is absolutely fabulous though and you really miss something if you dont read this book. Miranda posted a name of a song for every chapter, which I think is great and makes the book even more lively. If you love romance, this book is a must. Such a sweet book

Von Kunde Ich habe dieses Buch vor sage und schreibe 1,5 Jahren bei bestellt. Es sah einfach nach einer netten Urlaubslektre aus. Nun ist es also endlich bei mir eingetroffen (ich hatte die Bestellung schon vergessen) und ich habe diese se Weihnachtsgeschichte im Sommerurlaub gelesen. Fazit: Wirklich eine wunderschöne und sehr unterhaltsame, nicht ganz typische, Frauenurlaubslektre. Ich bin sehr froh, dass das Buch doch noch den Weg zu mir gefunden hat. Auf jeden Fall zu empfehlen!
