Jordan#Paranormal #WolfShifter #MilitaryThree River Boys, in book #1 Ms. Woods had you spell bound with secrets of Jaxson the Alpha and Olivia. Than you I readbook #2 with betrayal, lies and abusive behavior, yes you won't be disappointed it is a very inspiring read.Ex-Army Specialist, Jace River couldn't trust himself, he had a BIG problem that he couldn't sleep for worry things would get out of hand. The only way to contain it was with the help of his brothers Jaxson or Jared.Piper Wilding worked for the government in fact her whole family was Military, Piper had been working overseas most of the time, just because she wanted too. Something has happened to her baby brother she knew she was right. They always were talking to each other daily and then nothing, yep something is wrong. Piper needed help so she asked the River Boy's to help. I was gifted this ARC for an honest and truthful review.My Personal Stars ScoresBook Cover Rating 4 StarsHero Rating 5+++++++ StarsHeroine Rating 5+++++++ StarsSexual Tension Rating 5 StarsSex Scenes Rating 5+++++++ StarsPlot Development Rating 5 StarsDialogue 5 StarsOverall Rating 5 StarsStorytelling Rating 5 StarsStoryEnding Rating 5 StarsWould I Reread This Book?? KurzbeschreibungHis wolf is out of control. Shes a wild thing that wont be tamed.Ex-Army Specialist Jace River has a lock on his bedroom door, but its not to keep anyone out; its to keep his nightmares from breaking loose. His wolf is an out-of-control killer, which means he can never risk shifting, never truly be part of his pack, and definitely never take a mate.Piper Wilding works for the Army as a civilian, traveling the world for her work in counterintelligence and fighting the bad guys while bedding down the good ones. The best part? It keeps her far from her asshole father in Seattle, the rest of the Wilding pack, and the pressure to take a mate. Settling down isnt her thing, and after what happened to her mother, Piper vowed she would never be tied down by magic or men again.While Jaces wolf keeps him Sleepless in Seattle, Piper returns home to find her missing kid brother. When she breaks into the River brothers' safehouse, sparks fly and claws come out. Her sexy skills threaten to bring out Jaces wolf, and Jaces good-guy hotness reminds Piper how tempting shifter men can be. Theyre like fire and gasoline, and as they race to find Pipers brother, the heat threatens to burn down all their carefully constructed walls. But falling in love has never been so dangerousand being together means taking risks that neither might survive.RECOMMENDED: Read Jaxson (River Pack Wolves 1) FIRST! Jace is a complete novel with HEA, the second in the River Pack Wolves trilogy (all standalone stories, but best enjoyed if you read them in order!).Contains scorching hot shifters, alpha military heroes, and sexy spy girls. Only readers over 18 should dive into the deliciously hot world of the River brothers.KurzbeschreibungHis wolf is out of control.
