Einfach begeisternd!Von JanaIch bin ein groer Fan von Jack Frost und total begeistert von diesem Bilderbuch. Das Buch ist sehr aufwendig und mit Liebe zum Detail illustriert. Die dazugehrigen Textpassagen sind kurz gehalten und auch fr Sprachenfnger leicht verstdnlich. Also durchaus fr Kinder geeignet. Auch der Einband und die Schtzhlle sind hochwertig im Design.Alles in allem: Liebe auf den ersten Blick.Die anderen Bcher habe ich ebenfalls gekauft. :)1 von 1 Kunden fanden die folgende Rezension hilfreich. Tolles Buch mit wunderschnen IllustrationenVon Juliaich liebe jedes Buch von Herrn Joyce. Er versteht es Leser jeden Alters fr seine wundervollen Geschichten zu begeistern und unterstreicht seine geschaffene Fantasiewelt mit passenden Bildern. Zum Vorlesen bestens geeignet

KurzbeschreibungDiscover how Jack Frost keeps the hearts of children happy in the third picture book in Academy Award winner William Joyces New York Times bestselling and dazzlingly inventive (Publishers Weekly) The Guardians of Childhood series.Before Jack Frost was Jack Frost, he was Nightlight, the most trusted and valiant companion of Mim, the Man in the Moon. But when Pitch destroys Mims world, he nearly destroys Nightlight too,

sending him plunging to Earth where, like Peter Pan, he is destined to remain forever a boy, frozen in time. And while Nightlight has fun sailing icy winds and surfing clouds, he is also lonely without his friend Mim. To keep the cold in his heart from taking over, he spreads it to the landscapes around him and earns a new name: Jack Overland Frost. But a true friend always comes through, and on one particularly bleak night, Mim shines down and shows Jack a group of children in great peril. Through helping them, Jack finds the warmth he's been yearning for, and realizes bringing joy to others can melt his own chill. It is this realization that there will always be children who need moments of bravery, who need rosy cheeks, who need to build snowmen, and who are then eager for a spring day that makes Jack realize why he is a forever boy, and worthy of becoming a Guardian of Childhood.

ber den Autor und weitere Mitwirkende William Joyce does a lot of stuff: films, apps, Olympic curling, but children's books are his true bailiwick (*Billy's Booger*; *The Numberlys*; *The Man in the Moon*; *Nicholas St. North and the Battle of the Nightmare King*; *A Bean, A Stalk, and a Boy Named Jack*; and the #1 New York Times bestselling *The Fantastic Flying Books of Mr. Morris Lessmore*, which is also his Academy Award-winning short film, to name a few). He lives with his family in Shreveport, Louisiana.
