**Von D.E. Haggerty : Jack Gets His Man (The Gray-Haired Knitting Detectives Book 2) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Jack Gets His Man (The Gray-Haired Knitting Detectives Book 2) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Great combination of suspense, humour and romanceVon Karen O.This book focuses on Jack, restless due to his upcoming birthday, no current lover, and inexplicably decreasing business profit.With Jack Gets His Man, D. E. Haggerty has created an expertly worded and pretty funny suspense story with a romantic touch. The story comprises a broad variety of characters with sufficient depth, hilarious moments and interesting interactions to solve the case of the vanishing finances. I had a great time reading Jack Gets His Man - it is a very fun read. I was drawn into the story right away, chuckling about the cute gray-haired knitting detectives and their ways, seconding Izzy's thoughts, trying to find the culprit and hoping that Jack really gets his man. This is for you if you like female sleuths, hilarious situations as well as a great combination of (cozy) suspense, humour and romance.A funny and also suspenseful book to read again.Recommended.4.2 stars

KurzbeschreibungJacks life is awesome. His store is making money hand over fist and his best friend has found love. So what if hes feeling a bit restless and put out about his upcoming birthday and his ex is being a pain in his fabulous behind? Thats nothing he cant handle. But then his smoking hot new bookkeeper discovers things at the store arent actually as they seem. Someone is playing fast and loose with the finances. Jacks bestie and his gal pals, the gray-haired knitting detectives, jump at the chance to solve Jacks problems. When they arent re-enacting scenes from spy thrillers, theyre setting Jack up on dates and generally insinuating themselves into his love life. Theyre determined to find love for Jack as well as his missing money. Will Jack catch a thief or find love? Either way Jacks going to get his man.KurzbeschreibungJacks life is awesome. After spending my senior year of high school in Germany, I developed a bad case of wanderlust that is yet to be cured. My flying Dutch husband and I have lived in Ohio, Virginia, the Netherlands, Germany and now Istanbul. We still havent decided if we want to settle down somewhere let alone where. Im leaning towards somewhere I can learn to surf even though the hubby thinks thats a less than sound way to decide where to live. Although Ive been a military policewoman, a commercial lawyer, and a BB owner, I think with writing I may have finally figured out what I want to be when I grow up. Thats assuming I ever grow up, of course. Between playing tennis, running much slower than I would like, trying to adopt every stray dog within a 5-mile radius, traveling to exotic new locales, singing off tune, drinking entirely too many adult beverages, addictively watching new movies and reading books like they are going out of style, I write articles for a local expat magazine and various websites, review other indie authors books, write a blog about whatever comes to mind and am working on my sixth book.
