Von A.M. Homes : Jack before purchasing it in order to gage whether or not it would be worth my time, and all praised Jack:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Much different from Alice, but wonderful nonetheless....Von Ein KundeI loved this book from page one...I picked it up after reading " End of Alice" while i was at work (in a bookstore of course) and thumbed through the first couple of pages and was hesitant in putting it back...i'm glad i didn't....this book was funny and emotional and i recommend it to

anyone who was confused as hell growing up. 2 von 3 Kunden fanden die folgende Rezension hilfreich. Jack is the voice of the next generation! Von Ein Kunde My teenage angst seems insignificant now. This book is moving, charming and funny on every page.

Kurzbeschreibung Jack is a teenager who wants nothing more than to be normal - even if being normal means having divorced parents and a rather strange best friend. But when Jack's father takes him out rowing on a lake and tells his son that he's gay, nothing will ever be normal again. Out of Jack's struggle to redefine what is 'family', comes a work of enormous humour, charm and resonance, the most convincing, funny and insightful novel about adolescence since *The Catcher in the Rye*. Pressestimmen A moving novel, and a very refreshing one. Jack is such an engaging, attractive human being, it's a pleasure to believe in him. David Foster Wallace The engaging, doggedly funny [Jack] is likable from the first paragraph, a good kid caught in circumstances too much for him. And in the particulars of those circumstances, A. M. Homes touches upon something unique. Ms. Homes handles the big subjects subtly, deftly and with an appealing lack of melodrama. The New York Times Book A. M. Homes has created a most endearing teenager, and an intensely real world around him A fine book. Hilma Wolitzer Kurzbeschreibung Jack is a teenager who wants nothing more than to be normal - even if being normal means having divorced parents and a rather strange best friend. But when Jack's father takes him out rowing on a lake and tells his son that he's gay, nothing will ever be normal again. Out of Jack's struggle to redefine what is 'family', comes a work of enormous humour, charm and resonance, the most convincing, funny and insightful novel about adolescence since *The Catcher in the Rye*.
