Von Steven Lancaster : Jacob (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Jacob (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Eine echte Chance fr ein unvergessliches Lesevergnngen. Steven Lancanster schaffte es erneut!!Von KundeJacob ein weiterer "Lese Genuss" von Steven Lancaster! Er versteht es, mit einer eindrcklichen Bildsprache, dem Lesen eine neue Dimension abzugewinnen. Es geht hier um viel mehr als einen fesselnden" thriller" mit besonderer Klasse,. Die Story ist voll "Mysteries" und genialen Ueberraschungen. Die Charakter von Detektive Hill und seinem Kollegen Sommer sind eindrcklich und tiefgrndig beschrieben. Die Spannung und Rtsel nehmen immer wieder neue Wendungen und

plzliche sogar globale Aufregung. Das Buch ist m.E. sehr , sehr lesenswert, intelligent und sprachlich von herausragender Qualitt. Zugreifen und mit Freude geniessen!!!!

KurzbeschreibungWhen Detective Sergeant Alfred Hill retired from the police force, he ended his long career in disgrace. But when he finds the body of an unconscious man in the same spot where he investigated a suspected suicide in 1962, Hill has the opportunity to redeem his reputationand crack the unsolved mystery that has haunted him for nearly forty years. The man in question appears to be the same person whose suicide Hill investigated all those years ago, and when he regains consciousness, everyone claims he is, indeed, the missing Jacob King. The only problems are that Jacob King has no recollection of anythingand that he hasnt aged a single day in the past forty years.Unable to reconcile the facts of the case, the police appoint Detective Constable David Sommer to help Sergeant Hill in his investigation. With powerful American pharmaceutical companies and the CIA interested in their suspect, Sommer and Hill have their work cut out for them. And it isnt until Jacob King himself makes a startling revelation that Hill and Sommer understand how important this case isnt only to their careers, but to the future of all humanity.
