**Von Sabrina Stark : Jake Me (Jaked Book 2) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Jake Me (Jaked Book 2) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Jake und Luna #2Von MinelliWas ich ja überhaupt nicht verstehe ist dieses Nicht-Gekmpfe um die Beziehung. Ich meine, da steht ne Halbnackte Frau im Hotelzimmer. Was soll Luna denn da denken.Dann reden sie drei Wochen nicht miteinander. Dies und andere Situationen haben sehr groe Fragezeichen in mir ausgelst.S fand ich allerdings das Ende.Die Sexszenen waren leider weiterhin eher lauwarm als hei. Das fand ich schade.Trotzdem alles in allem eine

gute Reihe, die ich gern gelesen habe und daher auch gerne weiterempfehle. Bookboyfriend-Potential liegt hier übrigens bei 80%, weil man Jake einfach gern haben muss.

**Kurzbeschreibung Jake Bishop Can Take a Punch, But Can He Take Losing His Luna?** Top 100 Book from USA TODAY Bestselling Author Sabrina Stark: To the rest of the world, he's Jake Bishop -- bad boy brawler, digital celebrity, and trouble-maker incarnate. But to Luna Moon, he's the knight in shining armor who rescued her from hometown bullies all those years ago. He's always had her back. She's always had his heart. But what happens when a weekend of bliss turns their world upside-down, sending their relationship spiraling in ways they never imagined? She's still in danger. He's still afraid of ruining her. Together, they're one hot mess looking for a place called home. Will they find it with each other? Or go down in flames, trying? A full-length novel, this is the second book in the three-book Jaked series. It features mature content, sexual situations, and adult language. It's not advised for under-age readers.

**Author Interview**  
**Q** Of all genres, why write new adult romance novels?  
**A** Because they're the most fun! They've got such a fascinating mix of characters, especially those thrilling alpha males the real stars of these bad boy romance novels. You've got your mma alpha fighters, your billionaires, your boys next door, and sometimes, all of these combined. Take Lawton Rastor, the star of *Unbelonging* and *Rebelonging*, two best-selling wealthy romance novels. He's an alpha male billionaire bad boy and former mma fighter with abs to die for. And let's not forget his leading lady. Because who deserves a bad boy reformed? Why, our plucky heroine, of course. The new adult romance genre is a giant candy-bowl of goodies. We can reach in and pull out whatever tasty treat we're craving, whether it's a digital stack of mma romance fighter kindle books, a billionaire bad boy romance, or an alpha male new adult fighter romance novel. To spice things up, I like to cross genre lines, making the series part mma romance, part romantic comedy, part coming of age, part romantic suspense and so on.

**Q** Your current new adult romance series features the Bishop brothers, alpha males who grew up tough. What's next on the horizon?  
**A** Happily, there are still some Bishop brothers we haven't met. This means there's more new adult books coming, with more bad boy mma fighters romance action, along with a few surprises.

**Q** Some reviewers call your books laugh-out-loud funny. Are you sure these aren't romantic comedies?  
**A** Sometimes, it sure seems like it! Even with all the angst and drama, I like to include humorous elements, because I love a funny romance, especially funny new adult books. And hey, we all need a laugh once in a while.

**Q** Why should readers check out your books?  
**A** Because who doesn't love an mma fighter romance series, where a hot alpha male falls hard for a girl like us? Each of these new adult books has been a best seller in varying ways whether it's hitting the Top 100 in the Kindle Store to snagging a coveted spot on the USA Today Bestseller list thanks to wonderful readers like you.
