Von Roald Dahl : James and the Giant Peach before purchasing it in order to gage whether or not it would be worth my time, and all praised James and the Giant Peach:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Great hit with my son and a good read for his momVon VeneraMy seven year old son loves Ronald Dahl. He understands that the extreme worlds that Ronald Dahl writes about are fantasy and really gets into the crazy events that take place. Personally I really enjoyed as a child and as an adult Charlie and the Chocolate Factory and did not find James and the

Giant Peach as good. My son, however, loved this quirky story of an orphaned boy, who leaves his nasty Aunts behind for a huge peach large enough for him and several overgrown insects to live in. The peach, the boy and the insects find their way from England to New York in adventure full of excitement.6 von 6 Kunden fanden die folgende Rezension hilfreich. James and The Giant Peach is an excellent read!Von Caleb SheafferI read this book for my creative writing class. We had to do an assignment where we read ten children's literature book. I was dreading the assignment, but, I found this book and I remembered it was good when I was a child. So I reread this book, it was even more enjoyable the second time. It is extremely creative and will teach your child some morals. Their is the death of parents and aunts within the book, so it might not be suitable for younger children. It would be a good book for adults to read to kids.3 von 3 Kunden fanden die folgende Rezension hilfreich. The BestVon Kennedy19"Danny the Champion of the World" is a masterpiece. For my money it is Dahl's best book, (though "Charlie and the Chocolate Factory" and "Fantastic Mister Fox" come close.) I think that although the intended audience of kids is sure to enjoy it, adults too would appreciate the tale. It is not only a ripping good adventure story, about a boy and his father who attempt to poach pheasants from a wicked landowner, but an atmospheric one as well - we can feel the palpable thrills in the early fall air as the characters plot the fine art of poaching for the pure private pleasure of it, like any great artists. As with all of Dahl, this book has moments of great comedy as well as a love for food and freedom, all of which appeal to its audience. There is also the subtly tender relationship between Danny and his father that add depth to the story. Well, we could go on. All I can say is that anyone who can read, adult or child, will thank themselves for reading this one.

KurzbeschreibungPhizzwhizzing new cover look and branding for the World's NUMBER ONE Storyteller!James Henry Trotter lives with two ghastly hags. Aunt Sponge is enormously fat with a face that looks boiled and Aunt Spiker is bony and screeching. He's very lonely until one day something peculiar happens. At the end of the garden a peach starts to grow and GROW AND GROW. Inside that peach are seven very unusual insects - all waiting to take James on a magical adventure. But where will they go in their GIANT PEACH and what will happen to the horrible aunts if they stand in their way? There's only one way to find out . . ."A true genius . . . Roald Dahl is my hero" - David Walliams Now you can listen to James and the Giant Peach and other Roald Dahl AUDIOBOOKS read by some very famous voices, including Kate Winslet, David Walliams and Steven Fry - plus there are added squelchy soundeffects from Pinewood Studios! Also look out for new Roald Dahl apps in the App store and Google Play- including the disgusting TWIT OR MISS! and HOUSE OF TWITS inspired by the revolting Twits..deWhen poor James Henry Trotter loses his parents in a horrible rhinoceros accident, he is forced to live with his two wicked aunts, Aunt Sponge and Aunt Spiker. After three years he becomes "the saddest and loneliest boy you could find." Then one day, a wizened old man in a dark-green suit gives James a bag of magic crystals that promise to reverse his misery forever. When James accidentally spills the crystals on his aunts' withered peach tree, he sets the adventure in motion. From the old tree a single peach grows, and grows, and grows some more, until finally James climbs inside the giant fruit and rolls away from his despicable aunts to a whole new life. James befriends an assortment of hilarious characters, including Grasshopper, Earthworm, Miss Spider and Centipede--each with his or her own song to sing. Roald Dahl's rich imagery and amusing characters ensure that parents will not tire of reading this classic aloud, which they will no doubt be called to do over and over again! We'll just come right out and say it...
