Zwei kleine Jack-Reacher-Bonbons - mit etwas wenig Jack in der Ersten.Von KundenrezensionenJames Penneys New IdentityVeteran James Penney, leicht posttraumatisch gestört, aber immer fleißig im Rahmen seiner Möglichkeiten bekommt zusammen mit 80% seines Betriebs die Kündigung. Zurück zuhause nach einem Gespräch mit einem Bekannten über den Umgang der Banken mit den Krediten der Leute, die diese nun nicht mehr bedienen können, bringt ihn dazu, sein Haus samt Einrichtung abzufackeln und mit seinem feuerroten Firebird abzuhausen.Da das Feuer noch auf zwei weitere Häuser bergreift beginnt die Polizei Penney wegen Brandstiftung und krimineller Sachbeschädigung zu verfolgen und nach einiger Zeit wird der Firebird gesichtet und verfolgt bis zu einem berschlag nach einer scharfen Kurve, wonach der Wagen vollständig ausbrennt und der Fahrer nur noch als Skelett mit dem Gerüst des Fahrersitzes verschmolzen ist. Aber ist er wirklich der Gesuchte am Steuer? Und wie passt Jack Reacher in diese Geschichte.Eine ein wenig naive Reflektion über den Umgang mit Veteranen und verdienten Angestellten in den USA und wie man vielleicht in kleinem Stil Rache nehmen kann.Guy Walks into a BarAuf der Suche nach guter Musik kommt Jack Reacher in eine Musikbar, in der sich Vertreter des osteuropäischen organisierten Verbrechens auf eine Entführung vorzubereiten scheinen. Reacher greift präventiv ein nur um später zu erfahren, dass er die Situation nicht ganz richtig gelesen hat.Netter Krzstkrimi.0 von 0 Kunden fanden die folgende Rezension hilfreich. Great short stories!Von CFDon't make the mistake and compare this book with all the other Reacher-Stories. It's completely different. And if you compare them, I am pretty sure you will be disappointed from this book.This book contains two short stories, you could read in about an hour. End. The first one is about an older employee who gets sacked and then went mad. This is not a story about murder or a man who runs amok. It's just a story about a pitiful man, who doesn't know what to do after his wife left him and he lost his job. It's different to the fast paced Reacher-Books. It's more about the feelings and the desperate situation of this man.The second story is about ... who will try a guess? ... our man Reacher ! It's not a whole story, it's just a short look on an interesting situation in a bar. Reacher looks at all the guests and knows that there is something wrong. A typical Reacher: monitor, analyse, beat someone up.I think Lee Child shows us one more time, that he is able to write interesting and gripping books. This one is worth reading.0 von 0 Kunden fanden die folgende Rezension hilfreich. J.R. in einer NebenrolleVon ulitecDie erste Kurzgeschichte ist interessant, vor allem, weil Jack Reacher nur eine kleine, aber nicht unbedeutende Rolle spielt. Die zweite hat mich nicht vom Hocker gerissen.
