Von Lori Foster : Jamie (Visitation) before purchasing it in order to gage whether or not it would be worth my time, and all praised Jamie (Visitation):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Another good book in the Winston seriesVon S. FischerJamie, who has lived as a recluse on a mountain in the woods, finds a

naked woman on the verge of collapse near his hut. As it turns out, Faith has been looking for him since she is connected to an experiment in parapsychology he was part of years ago. The ruthless people leading the experiment were the reason he hid away, and by following Faith, they have found him again. While Faith and Jamie fall in love, he has a hard time keeping her and himself safe. But some of the people are more than willing to help, among them some of the Winstons. This book is part of the Winston-series. It's fun to read it after the others, but it also makes sense on its own. The series (so far) consists of: The Winston Brothers Wild Say No to Joe? Fantasy The Secret Life of Bryan Say No to Joe? The Secret Life of Bryan When Bruce Met Cyn... Just a Hint: Clint Jamie Deuces Wild (in Double the Pleasure) Hart and Soul (in Double the Heat)

Kurzbeschreibung Foster is in a class by herself. --RT Book s "Say YES! to Lori Foster." --Elizabeth Lowell It's not that the woman in his arms is naked. It's not that he's carrying her up a mountain in a driving storm. What bothers Jamie is that the unconscious redhead is an intruder, someone who could bring him harm. He has his reasons for hiding out in this stark, secluded cabin; for keeping his emotions under wraps; for never, ever getting too close to anyone. But before she passed out in his bed, she said her name was Faith--an appropriate name since he has to take her at her word. Who is she? Why is she here? Who sent her? And what is she doing to him? Jamie's used to feelings of wariness, isolation, of being on guard. What he's not used to is this dangerous, nearly uncontrollable new emotion raging through him like a man on fire. With bonus chapter included! "Filled with Foster's trademark wit, humor, and sensuality." --Booklist Pressestimmen "Foster is arguably the star of Kensington's steamy erotica imprint, Brava."
