Von Jane Austen, Hatman's books : Jane Austen: The Complete Collection (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Jane Austen: The Complete Collection (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Replace those mismatched paperbacks... Von Bernie...with this unique old world copy. Yes even today they are producing complete Austin novel books. But they cannot compare to the Modern Library Giant version. Most now days most of the copies of this book have that Mylar dust jacket to protect what is left of the original dust jacket. The books you can replace and conserve space in the library are: Sense and Sensibility Pride and Prejudice Mansfield Park Emma Northanger Abbey Persuasion Of course if you are buying a complete Novels book you already know what is in it. This book is the Novels with nothing more or less. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Austen kompakt Von Albrecht Gralle Klasse, dass man das ganze Werk auf einen Schlag auf dem Reader hat. Es ist halt doch besser, Austen im Original zu lesen. Und wenn man die story kennt, kommt man durch. Eine gute Idee und eben sehr preiswert!!

Kurzbeschreibung From her youth to the final unfinished works of her later years, Here are 14+ works of Jane Austen All in one book elegantly formatted for ease of use and enjoyment on your Kindle device. The works include: Novels: Sense and Sensibility (1811) Pride and Prejudice (1813) Mansfield Park (1814) Emma (1815) Northanger Abbey (1817) Persuasion (1818) Unfinished Works: The Watsons (1803, 1805) Sanditon (1817) Short Fiction: Lady Susan (1794, 1805) Childhood Writing: Love and Freindship Lesley Castle The History of England A Collection of Letters The Female Philosopher The First Act of a Comedy A Letter from a Young Lady A Tour through Wales A Tale++ Author`s biography with links for further reading enjoy! Not much biographical information about Austen exists, and much of it comes from letters written to her beloved and only sister, Cassandra, as well as accounts from family members after Austen's death. Austen was born on December 16, 1775, as the seventh of eight children to Reverend George and Cassandra Austen. Growing up in the English village of Steventon, she was primarily educated at home, where she was surrounded by the books in her father's library. With her parents encouragement, Jane began composing stories in her teens and by her twenties she had completed the first drafts of what were to become Northanger Abbey, Sense and Sensibility, and Pride and Prejudice. Through her brother, Edward, who was adopted by a wealthy, childless relative, Austen was exposed to the aristocratic life of the landed gentry. Her incisive observations of such privileged classes and the resulting social commentary are two of the many elements of her romantic fiction that still resonate today. Upon her father's retirement, the family moved to Bath, and when her father died in 1805, she, her mother, and her sister relocated to a small house in the village of Chawton, courtesy of Edward. It was there in Chawton that Austen worked in relative solitude on her first novel, Sense and Sensibility, seeing anonymous publication, as A Lady, in 1811. Austen went on to publish six completed, full-length novels, still widely read, including Mansfield Park and Emma. In July 1817, she died at the age of forty-one and was buried in Winchester Cathedral, accompanied by an epitaph that doesn't identify her as an author. Both Northanger Abbey and Persuasion were published posthumously, and her epistolary novella, Lady Susan, didn't see publication until 1871.
