**Von Charlotte Bront : Jane Eyre : [Special Illustrated Edition] [Annotated with Literary History And Criticism ] [Free Audio Links] (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Jane Eyre : [Special Illustrated Edition] [Annotated with Literary History And Criticism ] [Free Audio Links] (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Grozsig bebilderte EdelfassungVon DodoDas einzig nicht so gut gelungene an dieser Fassung ist das grauenhafte Cover, das

man bei einem e-book zum Glück nicht ertragen muss, wenn man auf Listenansicht umstellt. Ansonsten ist diese Fassung wert, dafür zu bezahlen, auch wenn es den Roman in einer schlichteren Fassung als e-book auch gratis gibt. Zum einen gibt es schon nostalgische Illustrationen von drei verschiedenen Künstlern, eine Serie davon in Farbe. Dann gibt es noch als Extra die ganze klassische Biographie von Elizabeth Gaskell, den Gedichtband der drei Schwestern und eine moderne Kurzbiographie.

**Kurzbeschreibung** Jane Eyre (originally published as *Jane Eyre: An Autobiography*) is a novel by English writer Charlotte Brontë. It was published on 16 October 1847 by Smith, Elder Co. of London, England, under the pen name "Currer Bell." The first American edition was released the following year by Harper Brothers of New York. Primarily of the bildungsroman genre, Jane Eyre follows the emotions and experiences of its eponymous character, including her growth to adulthood, and her love for Mr. Rochester, the byronic master of fictitious Thornfield Hall. In its internalisation of the action the focus is on the gradual unfolding of Jane's moral and spiritual sensibility and all the events are coloured by a heightened intensity that was previously the domain of poetry the novel revolutionised the art of fiction. Charlotte Brontë has been called the 'first historian of the private consciousness' and the literary ancestor of writers like Joyce and Proust. The novel contains elements of social criticism, with a strong sense of morality at its core, but is nonetheless a novel many consider ahead of its time given the individualistic character of Jane and the novel's exploration of classism, sexuality, religion, and proto-feminism. [Reception] According to a review of Jane Eyre in *The Quarterly*, it was found to be "pre-eminently an anti-Christian composition". Although Brontë clearly intended for the book to be a protest against Victorian lifestyle, which caused a great unrest with the *Quarterly*, they found Jane Eyre to be more radical than its original intent: "We do not hesitate to say that the tone of mind and thought which has overthrown authority and violated every code human and divine abroad, and fostered Chartism and rebellion at home, is the same which has also written Jane Eyre". Although Jane Eyre is now commonly accepted into the canon of high-school English literature, its immediate reception was in stark contrast to its modern-day
