Jordan#Paranormal. #Romance #WolfShifterThis is the last book of River Pack Wolves, only one of the River Boy's is left and what a story. A phenomenal end to the series. Again I recommend this whole Series it a Must Read you won't be disappointed.Jared River is a Wolf Shifter, a Ex-Marine who served his country in Afghanistan as a sniper. He was good a regular killing machine, whoever he was told to take out, he did. Coming home Jared was an entirely different person than before sarcastic and moody. That why he decided to take on this mission himself, he knew it was the death penalty.Grace Krepky is the daughter of a prominent politician. She had a secret that no one knew except her and it had to stay way. Grace worked for her dad, she loved it, only to disagree with the law he was trying to pass in fact they were constantly fighting over it. Grace was so mad she couldnt contain herself so she ran and ran in the woods. Turning around she realized she wasn't alone. Scared not knowing what to do, she looked for which way to run then looked up at him. OMG he was the mosthandsome man she has ever seen. I was gifted this ARC for an honest and truthful review.My Personal Stars ScoresBook Cover Rating 4 StarsHero Rating 5+++++++ StarsHeroine Rating 5 ++++++++ StarsSexual Tension Rating 5+++++++ StarsSex Scenes Rating 5+++++++ 10 StarsPlot Development Rating 5+++ StarsDialogue 5 StarsOverall Rating 5 StarsStorytelling Rating 5+++++++ StarsStoryEnding Rating 5+++++++ 100 StarsWould I Reread This Book?
