Von Helen Johnston : Jarryd's Journey: A Journey of Innocence novella (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Jarryd's Journey: A Journey of Innocence novella (English Edition):

KurzbeschreibungJarryd's Journey is a pre-sequel novella, set six months before the first Journey of Innocence series book, Innocence Lost begins.Jarryd is a savvy business man, an entrepreneur and also a few hundred year old

vampire. He is loved and envied in equal measures all around the world, and his loyalty, once earned is unquestionable. His movie star good looks and perfected manners, that go back to his Southern charm, assures him that he is never without a bed partner for long. But even though he smiles and loves, his heart is empty and at long last he is ready for his forever and a day love. But at what price will it be? Will he survive? Or will it cost him everything that he holds dear? Even knowing all the facts, is he willing to pay the ultimate price when the Elder vampire Blake, a close friend of his, makes a very important request? Does he really have any say?
