Von John Inman : Jasper's Mountain (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Jasper's Mountain (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Unusual John Inman bookVon SunneThis is not really the typical John Inman book, like Hobbled or Shy. It works with a quieter sense of humor, often more self-reflecting sarcasm. So the fun actually is much more subtle and if you aren't in for that you'll be dissappointed. Well, I like subtle humor, often more than the obvious one, so I really enjoyed the way

Jasper laughed and mused over himself. This is another point some people might find not as interesting. There is a lot of internal reflection, funny but of course that isn't action. At first I had a bit of a hard time, I was waiting for actually something to happen - until I realized that something was happening, I got to know Jasper ;) Well, despite this slightly different style it is in a few very obvious traits a John Inman book - the conflict and its solution is like always a bit like a caricature, a bit sharper drawn, a bit more conveniently solved. Things just stumble in place. Yeah...that's his style. And it fits, it entertains. So - after a slow start the book grew to me, both MCs are so wonderfully human. Yeah, Tim is a little s***, manipulative and really not the most honest person in the world. And Jasper gets a boner while washing him, which makes him uncomfortable but, hey, that is honest and guys tell us all the time that some body parts just have a life of their own ;) But as I said, you need to be willing to let yourself go with the flow, the slow burn of the fun and a lot of introverted sarcasm. Then you'll like the book. Otherwise I'm not sure. I enjoyed it.

Kurzbeschreibung When small-time thief Timmy Harwell recklessly borrows a Cadillac for a joyride, he doesn't expect to find a cool \$100,000 in the trunk. His elation turns to terror when he realizes the SUV and the dough belong to Miguel Garcia, aka El Poco, a Tijuana drug dealer with a nasty reputation. Timmy sees only one way out: leave the stolen car behind and run as fast as he can. His getaway is cut short when a storm strands him outside Jasper Stone's secluded mountain cabin. Jasper finds Timmy in his shed, unconscious and burning up with fever, and takes care of the younger man, nursing him back to health. The two begin to grow close, but Jasper, a writer who seeks only solitude, is everything Timmy isn't. Straightforward, honest, and kind. Timmy needs Jasper's help and wants his respect so he hides his dishonest habits. But when El Poco comes after him, Timmy realizes he's not the only one at risk. His actions have also put Jasper in harm's way. Honesty now could mean Timmy loses the man he's come to love, but not being honest could mean far worse.
