KurzbeschreibungSee what happens when a pigheaded man is subjected to a dose of jealousy--and a kick in the ass.Francine loved Mitchell, a wolf like herself, since she first set eyes on him back when they were just kids. However, Mitchell never seen her as more than another annoying sister. Determined to make him realize she's all grown up, she enlists the aid of Alejandro, a gorgeous cat shifter. She never counted on wanting them both.Alejandro knows Francine is special from the first moment he meets the fiery plump wolf, which is why he suggests she use him to make Mitchell jealous. A great plan, especially if it means he gets to kiss those luscious lips. One taste, though, and he's addicted, but how does he make her see past the man she loves to realize she's also meant to be his mate?For a long time now, Mitchell's been avoiding Francine, his bratty sister's friend. However, the little girl he remembers is all grown up, and when he sees her in the arms of another, a need to claim her overrides all his common sense. But, he's waited too long and fate has decided that he's going to have to share. Can he bend enough to accept Francine with her other man, or will his freaky jealousy send him running? Warning: This is a ménage romance, with heavy emphasis on the romance. It does contain multi partner, sexual situations that some people may find titillating. Reader discretion is advised.

ber den Autor und weitere MitwirkendeNew York Times and USA Today BestsellerHello, my name is Eve and I am a Canadian author who loves to write hot romance. I possess a twisted imagination and a sarcastic sense of humor which tends to heavily influence my stories. I enjoy strong alpha male heroes, and shifters. Lots of big, overprotective shifters that need a strong woman to temper their wild side--and unleash the lover.I love to write, and while I don't always know what my mind is going to come up with next, I can promise it will be fun, probably humorous and most of all romantic, because I love a happily ever after.
