KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Das vierte Buch von Elena ForbesVon Sabine KarnerIch muss dazu sagen das ist dass erste Buch ist das ich in Englisch gelesen habe und es war recht einfach zu lesen! :DEs ist leider etwas krzer als die vorigen Bcher von der "Mark

Tartaglia" Reihe. Ist aber genauso spannend geschrieben und echt lesenswert. Ich will Donovan und Mark endlich zusammen sehen! - Sie lieben sich doch! Ich hoffe es kommen noch viele weitere Bücher von Elena Forbes. Ich liebe diese Autorin sie hat einen sehr guten Schreibstil der mir sehr gefällt und jedes Buch ist auf seine eigene Weise etwas anders. :) You must buy it it is awesome

Kurzbeschreibung DI Mark Tartaglia spends a night in a west London hotel with a woman he has just met. When he is called out to the same hotel the next morning to investigate a murder, he realises it must have taken place while he was there. If things weren't already complicated enough, the investigation takes a new and horrifying turn when he recognises the young female victim. Still reeling from the shock, he learns that another case he has been investigating - the body of a homeless man found in a burnt-out car - is also not what it seems. Tests reveal that the corpse has been assembled from the body parts of four different people. Under mounting pressure from the media and unsure where his loyalties lie, Tartaglia must solve this new macabre puzzle before the Jigsaw Killer strikes again.
