Von Jim Butcher, Mark Powers : Jim Butcher's The Dresden Files: Down Town before purchasing it in order to
gauge whether or not it would be worth my time, and all praised Jim Butcher's The Dresden Files: Down Town:

KurzbeschreibungChicago wizard-for-hire Harry Dresden and his new apprentice, Molly Carpenter, intend to end the havoc caused by a mad sorcerer - one whose ambitions would have the Windy City streets carved out as his own private kingdom. But when the magical upstart enters into an alliance with the notorious mob boss ""Gentleman Johnnie"" Marcone, will the fast-and-loose Dresden and his young charge survive unscathed? This graphic novel collects the critically acclaimed, six-issue series in one volume, and features a bonus section with Jim Butcher's original story outline, sketchbook artwork from Carlos Gomez, cover gallery with roughs from Stjepan Sejic, and more!
