What for a beautiful and poignant story!Von LenaRibkaSince recently I've become a big fan of short novellas.It is fascinating so see how authors manage(or do not) to create a whole world of emotions and feelings only in a few pages.Well, figuratively in a few pages, but within a very short length.Luke Hartwell did a great job.I absolutely LOVE this story.

LOVE IT. And now I want to read more of this author.

Kurzbeschreibung Rainbow Award-winning author Luke Hartwell once again explores the relationship between gay and straight best friends in this sparse, moving story. Chris has been in love with his best friend Jimmy since childhood. While Chris is at college, Jimmy is sent to prison. Now Jimmy is free once more and the two meet again. "I am in awe that in a mere 6,050 words the impact is greater than a full length novel. I, for one, won't be forgetting this heartfelt romance anytime soon." - Kynthos the Archer
