**Von Joanna Wayne : Jodie's Little Secrets (Intrigue)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Jodie's Little Secrets (Intrigue):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. This book has several stars: The hero, heroine the settngVon Kyle1119@aol.comThis wonderful story manages to present a realistic family, a well-crafted mystery and a thrilling romance. Ms. Wayne has truly shown herself to be a masterful storyteller!

KurzbeschreibungSECRET DADDYJodie Gahagen was content being a single mom to her twin baby boys. But her

ordered life was shattered by a stalker whose threat sent her packing homewith her bags and more than a couple of secrets.She'd told the town her "husband" couldn't make it, that things were fine whenever she overreacted. Except there was no avoiding Ray Kostnerthe one man she couldn't deny. He read her instinctively, knew she was hiding the truthand that she still loved him. But Ray never guessed he was a father.Now the stalker didn't have a chance.KurzbeschreibungSECRET DADDYJodie Gahagen was content being a single mom to her twin baby boys.
