**Von David Wong : John Dies at the End** before purchasing it in order to gage whether or not it would be worth my time, and all praised John Dies at the End:

Kurzbeschreibung My name is David Wong. My best friend is John. Those names are fake. You might want to change yours. You may not want to know about the things you'll read on these pages, about the sauce, about Korroch, about the invasion, and the future. But it's too late. You touched the book. You're in the game. You're under the eye. The only defence is knowledge. You need to read this book, to the end. Even the part about the bratwurst. Why? You'll just have to trust me. Unfortunately for us, if you make the right choice, we'll have a much harder time explaining how to fight off the otherworldly invasion currently threatening to enslave humanity. I'm sorry to have involved you in this, I really am. But as you read about these terrible events and the very dark epoch the world is about to enter as a result, it is crucial you keep one thing in mind: NONE OF THIS IS MY FAULT...
