Wunderbar dster englische Neuauflage des 3. GespensterkrimisVon RichelieuJohn Sinclair tritt in diesem Roman erst recht spt auf, doch dafr gelingt es dem Autor, dem in die Gegenwart verfrachteten 3. Fall des Geisterjgers - unter lockerer Beibehaltung des ursprnglichen Rahmens - eine auergewhnliche Tiefe zu geben, besonders der Person des satanischen Professors und seinem "Helfer" Tom. Halten die sich im deutschen Original noch in einem halb verfallenen Schloss oberhalb des Ortes Blyton auf, hat Dr. Satanos in der Neuadaptation sein Domizil auf einer dem Ort vorgelagerten Gefngnisinsel.Brilliant geschrieben und toll zu lesen, auch wenn man das deutsche Original kennt, lohnt diese englische Ausgabe unbedingt, da nur bedingt das eintritt, was man nach Kenntnis des 3. deutschen Sinclair-Gespensterkrimis erwartet.

KurzbeschreibungNo one knew his name. People in these parts simply called him 'Dr. Satanos'. He had the look of a kindly uncle. He was dressed in a white lab coat ... splattered with specks of blood ... A mysterious scientist is working on a groundbreaking medical procedure - with deadly consequences. When an elderly hairdresser finds a severed head in the middle of a coastal road, an extraordinary sequence of events begins ... and a small town in Cornwall is plunged into a terrifying nightmare. Detective Chief Inspector John Sinclair works for Scotland Yard's Special Division, an elite unit that deals with extraordinary cases. DCI Sinclair is a battle-hardened veteran of Afghanistan, a man haunted by the past. This time, Sinclair is in a race against the clock, trying to stop a gruesome killing spree ... +++ "A hero so suave and dashing, he makes James Bond look like a grubby detective sergeant, a plot that reads like it came straight from the great vaults of Hammer, and enough action and derring do to keep even the most ardent pulp fan smiling with glee. [...] A tight, punchy read that heralds the start of a great new series of pulp horror. Highly recommended." Ginger Nuts of Horror. -- "John Sinclair" is the relaunch of Europe's longest running horror series. Originally conceived in 1973 by Jason Dark and still going strong, the "John Sinclair" novellas are firmly rooted in the finest pulp traditions: true page turners with spine-tingling suspense, exquisite gore, and a dash of adventure. -- For fans of the dark visions of Stephen King, Clive Barker and the "X-Files" and the fast-paced action and globe-trotting excitement of James Bond. -- Gabriel Conroy was born in Los Angeles, California, in 1967. After high school, he joined the armed forces and was stationed in Germany for several years. He discovered his love for writing while traveling through Europe. When he returned to the States, he studied Journalism at Los Angeles City College and UCLA, and currently works as a freelance journalist, writer, and translator. Mr. Conroy is married and has a dog and a cat.
