Von E.A. West : Jordan's Battle (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Jordan's Battle (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. nice, but much too short / nett, aber viel zu kurzVon Kindle-KundeSince this book is in English, but I purchased it at .de, I'm writing my review in both languages.This is a really nice story, easy and fast to read, nice characters and a nice ending. I would probably have given 4 stars, but unfortunately the story is even much shorter than I had expected. For

of the estimated 65 pages the last 24 % are a preview of the book "Imperfect Beauty". That was disappointing, therefore only 3 stars.-----Da das Buch in Englisch ist, ich es aber bei .de gekauft habe, schreibe ich meine Rezension in beiden Sprachen.Dies ist eine wirklich hbsche Geschichte, leicht und schnell zu lesen, nette Charaktere und ein nettes Ende. Ich htte wahrscheinlich 4 Sterne gegeben, aber leider ist die Geschichte noch wesentlich krzer, als ich erwartet hatte. Denn von den geschtzten 65 Seiten enthalten die letzten 24 % eine Vorschau auf das Buch "Imperfect Beauty". Das war enttuschend, daher nur 3 Sterne.

KurzbeschreibungFrom award-winning author E.A. WestComputer programmer Alaina Howard has a new office mate, and she couldnt be happier that hes handsome and unattached. Although initially uncertain of his position in the company, she quickly realizes that hes good at his job and a valuable asset. If only she knew why the seemingly non-disabled man needed a service dog, things would be perfect.Army veteran Jordan Blake is thrilled to get a job that allows him to pursue his dream of learning web development. The position is even sweeter thanks to the beautiful woman he shares an office with. The only drawback is that she seems suspicious of his need for a service dog to assist with an invisible disability.Will Alainas suspicion and Jordans reluctance to talk about his disability keep them from developing the relationship they both desire?KurzbeschreibungFrom award-winning author E.A.
