**Von Lisa Plumley : Josie Day Is Coming Home (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Josie Day Is Coming Home (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. quirky

fun read Von Deborah Macgillivray Josie Day is Coming Home tries to contradict Tom Wolfe. Josie Day, Las Vegas showgirl, to the rescue - she saves wealthy widow Tallulah Carlyle from choking to death on a martini olive. For her efforts she receives a ranch, the Blue Moon. Tallulah is kind-hearted and means well in insisting Josie accept the ranch, but it actually isn't Tallulah's to give away. It belongs to her sexy nephew Luke Donovan. Luke plans on turning the ranch into a motorcycle repair shop. So the stage is set for the fur to fly. Josie has mixed emotions about the property because it's located in Donovan's Corner, Arizona - Josie's hometown. They town that didn't exactly toss her a farewell party when she left since they branded her "disreputable" and hasn't changed their opinions of her. Immediately upon arrival, she mistakes Luke for the handyman, while Luke jumps to the assumption she is a real estate agent trying to sell the place. The mansion is falling apart so Tallulah's gift tends to look less and less as a boon. Josie's new dream is to turn it into a dance studio, but it will take more than wishes. Luke's rich, socialite father doesn't approve of his bad-boy motorcycle addict son, and is trying to pressure him into him a management job. In this, Josie and he have something in common, for her father doesn't approve of her either, believing the worst of Josie's profession in Las Vegas. Josie - as anyone familiar with small towns would expect - gets the cold shoulder and has to fight to earn her place. This book has all the right mix, but just misses target with me personally and why I am giving it four stars instead of five. Why? I was raised in small towns on both sides of the Pond and I know them intimately. The sudden acceptance of Josie by the "small-minded gossips" just really stretched belief. I found it hard to accept Josie suddenly wanting to be there, even more unreal to think everyone suddenly flipped a switch and ended up adoring her. Plumley's writing is delightful and the story is fun, but I could never get past that one stumbling block. It just didn't ring true. At times, the talented Plumley is dead on target with the emotions of this situation. It's a fun read, a delightful read, but I just couldn't find total satisfaction in the Neverland ending. Still, it's a very enjoyable read, and if you are looking for something whimsical and fun, it's up your alley. You might not want to go home, but you can have a fun visit.

Kurzbeschreibung USA Today bestselling author Lisa Plumley does it again with another sparkling, sexy novel of crazy coincidences and crazier love... "Lisa Plumley creates charming characters. Her books are a delight!" -- USA Today best-selling author Rachel Gibson About the book... Her name was Josie, she was a showgirl.....until the night she Heimliched a martini olive out of fabulously wealthy and eccentric casino owner Tallulah Carlyle. Now Josie Day proud new owner of one of Tallulah's spare estates is leaving Vegas behind for... Donovan's Corner, Arizona? Ironically, her "reward" has brought her right back to the dusty hometown she thought she'd left behind forever. Still, Josie's ready to prove there's more to her than feathers and a wicked rumba. She plans to sell the old mansion and use the profits to open a dance school. But first, she'll have to figure out some fancy footwork to avoid knocking heads and other things with caretaker and local bad boy Luke Donovan... It isn't every day a woman like Josie comes strutting into town which is fortunate, since her presence on the estate has Luke hotter and more bothered than he's been since, well, ever. He's a little annoyed with his Aunt Tallulah, though. This was supposed to be his property to renovate and sell an opportunity to make good after being cut off from the family fortune. But Josie doesn't have to know that... at least not until Luke figures out a way to make both their dreams come true and prove that Vegas isn't the only place where taking a chance can change everything... What people are saying... "In this heartwarming, often humorous story, the feisty Josie proves that you can go home again -- if you've got the right stuff. And once again, the talented Plumley, whose books include Perfect Switch, proves that when it comes to writing romantic comedy, few do it better." -- Booklist (starred review) "Secrets, misunderstandings, and miscommunications complicate this bright, amusing story, which takes a pair of protagonists with opposing goals, adds a host of family upheavals, and lets the off-beat tale unfold. For readers who like their contemporaries with up-front humor, sassy dialog, and small-town settings." -- Library Journal "Turning not-so-perfect, unlikely characters into romance heroes and heroines is Lisa Plumley's forte, and she once again delivers a zany cast who will make you laugh. If you want a light romance that will have you chuckling every few pages, Josie Day Is Coming Home won't disappoint you." -- The State newspaper "Plumley's story is lighthearted, with some serious tug-at-the-heart moments. Josie is upbeat and unbeatable, while Luke is determined and just the sort of guy Josie needs to make that happily ever after ending." -- The Oakland Press "Josie Day is a delight. Plumley writes her lead character using determination, beauty, and notorious appeal. Luke Donovan is simply: sexy, dangerous and fun. They are a wonderful couple." -- Contemporary Romance Writers Kurzbeschreibung USA Today bestselling author Lisa Plumley does it again with another sparkling, sexy novel of crazy coincidences and crazier love...
