Beautiful. A book to read! Von Ein Kunde When I picked up this book I simply could not put it down because I just had to know the outcome!! The characters were very well and realistically decribed and the beauty yet problems that you may find in love. "True love runs never smooth". I guess I also loved this book due to my passion for horses. It is a book which I read in one time staying up till dawn just to be able to finish it. Definately one to read!!

Cait and Gabe are attracted to each other, but a threat is posed by the greedy cattle rancher Nelson Mackie to take over the Burke ranch. Sequel to *Desert Hearts*.
