Von Sharon Shinn : Jovah's Angel before purchasing it in order to gage whether or not it would be worth my time, and all praised Jovah's Angel:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. A good read, but nowhere near as good as "Archangel"Von CustomerI saw the paperback edition of "Jovah's Angel" at my

local bookstore and snapped it up. I really enjoyed "Archangel" and was hoping for a similar experience with this book. As with most sequels, I was ultimately disappointed. I enjoyed the return to Samaria, but I thought the plot and characters could have been much stronger. Delilah and Alleya were caricatures instead of characters: the stormy dark angel and the quiet blond. Caleb was drawn a bit better, but Noah was also a cardboard cutout of a character. I will give Ms. Shinn credit for finally resolving the mystery of what Jovah really is. 0 von 0 Kunden fanden die folgende Rezension hilfreich. gorgeous sequel to a fabulous novel Von Ein Kunde Set roughly 150 years after Gabriel's and Rachel's Gloria, 'Jovah's Angel' takes the reader to a Samaria where God seems to have failed his people, where the angels seem to have lost the ability to appease his anger. Storms threaten to destroy the land, angels are accused of doing nothing, or worse, themselves causing the turmoils. So it's up to the new Archangel whose voice is the only one to still reach Jovah's ear to establish herself in her new role as Archangel, to handle the ever greedy merchants and to find her designated angelico to sing the Gloria and appease the God. While quite different from the first part which is more firmly based in fantasy and offers the reader all the background knowledge to understand the concept of the novel, 'Jovah's Angel' is clearly crossing the line to SF without losing any of the prequel's novel charm. The characters are well designed, the story is compelling and the cover art is magic. But who asked the author to shorten the sequel down to a mere 350 pages? Not nearly long enough for a true fan, it didn't even keep me up all night like the first one did simply because I turned the last page at 3am! I am dying to read the next one! Two thumbs up! 1 von 1 Kunden fanden die folgende Rezension hilfreich. WOW!! She does a great job!! Definatly *5* stars!! Von Ein Kunde She is the best! Raise the roof peples cos Sharon Shinn is in the house! I have not read a book that i could not put down for a long time! i love it and have also read the Archangel! they are fantabulous! i would definately read them again any day! She gets my complements and i wish i could write like her! if i had that imagination, look out world!! :))!

Kurzbeschreibung National bestselling author Sharon Shinn returns to the compelling world of Samaria in an extraordinary novel of angels and mortals, music and mystery, science and faith... More than a hundred years after the time of Rachel and Gabriel, Samaria is in deep turmoil. Charismatic Archangel Delilah has been injured and forced to give up her position, and she has been replaced by shy, uncertain Alleluia. Whats worse, ungovernable storms are sweeping across the country, and the god never seems to hear the angels pleas to abate the bad weather. Unless those prayers are offered by the new Archangel... From the Paperback edition.. de This is a standalone sequel to Archangel, set 150 years later in proverbially interesting times. Samaria is industrialized; the Manadavvi and Jansai are wealthier; the Edori are marginalized, their roaming lifestyle disrupted; and Jovah seems to be turning a deaf ear to his angels' prayers for abatement of increasingly destructive storms. In the midst of all this, Archangel Delilah is incapacitated and replaced by shy, unworldly Alleluia. Alleya must pacify the tribes, calm the weather, make Jovah hear her, forge a reconciliation with Delilah, and find her angelico in order to get married--there's a Gloria due in four months. Unfortunately, the tribes don't want to be pacified, the weather is uncooperative, Jovah is remote, crippled Delilah wants nothing to do with angels, and Alleya's mate is identified only as a "son of Jeremiah. qupt; If you're stockpiling vacation reading and love a bit of romance (or Anne McCaffrey's writing!), pop Shinn's work in the pile. Pressestimmen 'A delight and a comfort to discover' - Peter Beagle 'I was fascinated by Archangel. Its premise is unusual, to say the least, its characters as provocative as the action. I was truly, deeply delighted.' - Anne McCaffrey
