Von Stephen King : Joyland (Hard Case Crime) before purchasing it in order to gage whether or not it would be worth my time, and all praised Joyland (Hard Case Crime):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.
Joyland - DeadlandVon JT BearDieser King ist wieder mal ein auergewhnlicher Roman. Irgendwann hrt jeder Spa auf.

Aber wirklich...niemand schreibt so gefhrlich interessant. Die Geschichte ist super, gut entwickelte Charaktere, ein glaubhaftes Umfeld und ein schnes King-wrdiges Ende.1 von 1 Kunden fanden die folgende Rezension hilfreich. Sehr gut!Von Olesja S.Ich habe das Buch geliebt. Es ist unheimlich spannend und sehr unterhaltsam. Ich hatte es im Urlaub in zwei Tagen durchgelesen. Klare Kaufempfehlung!0 von 0 Kunden fanden die folgende Rezension hilfreich. Gut und spannend.Von Joerg KuenneEin guter King. Spannend bis zum Ende. Das Finale knnte aber etwas dramatischer sein. Trotzdem sehr empfehlenswert und leicht zu lesen.

KurzbeschreibungLife is Not Always a Butcher's Game. Sometimes the Prizes Are Real. Sometimes They're Precious. All-time best-selling author STEPHEN KING returns with a novel of carny lifeand death... College student Devin Jones took the summer job at Joyland hoping to forget the girl who broke his heart. But he wound up facing something far more terrible: the legacy of a vicious murder, the fate of a dying child, and dark truths about lifeand what comes afterthat would change his world forever. A riveting story about love and loss, about growing up and growing oldand about those who don't get to do either because death comes for them before their timeJOYLAND is Stephen King at the peak of his storytelling powers. With all the emotional impact of King masterpieces such as The Green Mile and The Shawshank Redemption, JOYLAND is at once a mystery, a horror story, and a bittersweet coming-of-age novel, one that will leave even the most hard-boiled reader profoundly moved.Pressestimmen"Set in a dying amusement park in the south,Joylandfeatures a ghost and a serial killer, but the real heart of the novel is a coming of age story, one that took me vividly back to my own youth, working the rides at Uncle Milty's in Bayonne." - George RR Martin"Joylandis one of Stephen Kings best novels" - Horror Movie s"King saved the big scares for Dr. Sleep, but Joyland is ultimately superior." - Complexs Best Books of 2013"Set in a dying amusement park in the south,Joylandfeatures a ghost and a serial killer, but the real heart of the novel is a coming of age story, one that took me vividly back to my own youth, working the rides at Uncle Milty's in Bayonne." - George R.R Martin"Joylandis full of nostalgia and some really sweet moments that had me tearing up. It's easy to forget that anything else is going on, you're so wrapped up in the lives of these characters.4.5 out of 5 Stars (read it, read it now)" - Only The Best SciFi"This ones a must for King fans and may also attract YA readers." Library Journal"...period murder mystery with aheart...King brings his usual finesse tothis tales mystery elements" Publishers Weekly"...the book...features some of King's most graceful writing...ruminative, amused, digressive, marvelously unaffected, and finally, devastatingly sad." Entertainment Weekly"An amusement park and murder figure into a coming-of-age tale in this miniature thriller with a hint of the supernatural." Los Angeles TimesUndeniablecharm [and] aching nostalgia[JOYLAND] reads like a heartfelt memoir and might be Kings gentlest book, a canny channeling of the inner peace one can find within outer tumult. Booklist"Wrapped in a gloriously pulpy cover,Joylandis a coming-of-age story setin 1973 at a North Carolinaamusement park -- creepy! -- that'shaunted by a murderer." Time Magazine"Stephen King's carny-saturatedJoylandevokes the ghosts of summers past -- literally." New York MagazineJoyland, by Stephen King (Hard CaseCrime, June). An old-school, pulpypaperback ghost story set in a NorthCarolina amusement park. Departures MagazineKing's latest thriller, a PG-13 pulppaperback crime novel takes place at aremote carny park where college kidDevin is desperate to see the ghost of agirl whose murderer might still belurking around the hot dog stands. Cosmopolitan MagazineJoylandis a joy. A gem whatever its genre.Tor.com"This is a wonderful return to old school King." We Love This Book"Joylandis a fantastic story.This is a compelling and yet oddly gentle tale of a young man experiencing the ache of heartbreak and the curve-balls life can throw at you."Geek Native"From horror authority Stephen King comes some hard-boiled action, with all the elements of a good crime novelincluding the early 70s, southern secrets, carnivals, and a meddling college kid." The Daily Muse"If youre a King fan you may want to set this on your wishlist " Bookmuch"This Joyland is not innocent, of course. Its retro thrills include an enticingly steamy cover, Hard Case Crimes sensually tactile paperback format, and a cover line that asks, Who Dares Enter the Funhouse of Fear?" New York TimesIts good to have a book like this now simple, sweet, and not a little scary to remind us that among the prequels and sequels, the epics and the TV miniseries, Stephen King can still spin one hell of a little yarn. As usual, King slips in and out of genre effortlessly, but its gratifying that at the core ofJoylandexists a story worthy of being called a Hard Case Crime. Misdirection and red herrings abound, delightfully, and the weather-ravaged denouement could play out as the conclusion to a Donald Westlake or Lawrence Sanders novel.FEARnet"Red meat for any Stephen King fan." TalkStephenKing.comThis is a Stephen King novel that you can start on your vacation and actually finish before the flight home.Mens Health, Selected By A remarkable tour-de-force.Comic Book Resources"This is Stephen King at his emotional best." Florida Times-UnionIt is easy to connect with Devin as well as many of the secondary characters as King develops this descriptive, entertaining tale of personal growth and murder. Luxury Reading"Joyland is pretty much perfect in its pursuit of diversion." This story of a broken heart, a summer job and a beach amusement park infused with ghosts, killers and a boy with "the sight" is lovingly streamlined. It starts strong, ends stronger. Sturdy finales are never a given with King, but this one, Constant Readers, will have you gasping and, ultimately, blinking back big fat tears." "The ultimate "beach" book from one of literature's slyest

entertainers."Tampa Bay TimesAs you read the dialogue, the book becomes less a story about a summers mystery than a tale of entry into another, coexisting world, one with its own rules, codes, and language. The splashy and aggressively sexy packaging is the tip of the iceberg. LA of BooksKurzbeschreibungLife is Not Always a Butcher's Game. Sometimes the Prizes Are Real. Sometimes They're Precious.
