Von Robert Charles Wilson : Julian Comstock: A Story of 22nd-Century America before purchasing it in order to gage whether or not it would be worth my time, and all praised Julian Comstock: A Story of 22nd-Century America:

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Idee

gut - Ausföhrung weniger...gut Von NMK Leider kann ich meinem "Vor"-Rezensenten nicht zustimmen. Die Idee des Romans ist hervorragend, aber insgesamt konnte mich Wilson nicht berzeugen. Da es mein erster Roman von Wilson war, kann ich nicht sagen, ob es am Schreibstil des Autors lag, oder nur an der Art wie der Roman aufgebaut ist, Fakt ist, dass er mich einfach nicht angesprochen hat, und das ich das Geföhl hatte, dass sich die Geschichte wie Kaugummi in die Lnge zieht. 3 von 4 Kunden fanden die folgende Rezension hilfreich. Zukunftsroman im Stil Mark Twains ... Von Kindle-Kunde Das neue Buch von Robert Charles Wilson weicht sehr ab von seinen Bestsellern Harvest und Spin, ist aber auf seine Art genauso gut. In epischer Breite wird das Lebens von Julian Comstock geschildert, eines Aristokraten und Kriegshelden im Amerika des 22. Jahrhunderts, das - infolge der Erschöpfung der weltweiten Ireserven - auf den technologischen Status des 19. Jahrhunderts zurckgefallen ist. Erzöht wird das Ganze in Huckleberry Finn Manier aus der Sicht besten Freundes.

Kurzbeschreibung From Robert Charles Wilson, the Hugo Award-winning author of Spin, comes Julian Comstock, an exuberant adventure in a post-climate-change America. In the reign of President Deklan Comstock, a reborn United States is struggling back to prosperity. Over a century after the Efflorescence of Oil, after the Fall of the Cities, after the False Tribulation, after the days of the Pious Presidents, the sixty stars and thirteen stripes wave from the plains of Athabaska to the national capital in New York. In Colorado Springs, the Dominion sees to the nation's spiritual needs. In Labrador, the Army wages war on the Dutch. America, unified, is rising once again. Then out of Labrador come tales of the war hero "Captain Commongold." The masses follow his adventures in the popular press. The Army adores him. The President is...troubled. Especially when the dashing Captain turns out to be his nephew Julian, son of the President's late brother Bryce a popular general who challenged the President's power, and paid the ultimate price. As Julian ascends to the pinnacle of power, his admiration for the works of the Secular Ancients sets him at fatal odds with the Dominion. Treachery and intrigue will dog him as he closes in on the accomplishment of his lifelong ambition: to make a film about the life of Charles Darwin. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. Pressestimmen Astute, romantic, philosophical, compassionate, and often uproariously funny, Julian Comstock may be Wilson's best book yet Cory Doctorow It's like Margaret Atwood meets The Wild Wild West. SciFiDimensions Robert Charles Wilson is a hell of a storyteller. Stephen King Kurzbeschreibung From Robert Charles Wilson, the Hugo Award-winning author of Spin, comes Julian Comstock, an exuberant adventure in a post-climate-change America.
