**Von Neal Asher : Jupiter War (Owner Trilogy Book 3)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Jupiter War (Owner Trilogy Book 3):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Der Aufbruch zu den Sternen, mal andersVon DackelDie von Neal Asher erschaffene Dystopie mit der malos berbevilkerten Erde und dem Lsungsweg ber den selektiven Genozid findet hier eine Art Ende und Neuanfang zu

gleich. Fortsetzungen kann man in Kurzgeschichtenform dann in "The Gabble" lesen. Mir hat's gefallen. Besonders die Casimirbatterien, das wre doch mal was. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Wirklich das Ende? Von Ultrawhitestar Typisch Asher ist auch der letzte Teil der Owner Trilogie eine Freude fr jeden SF-Technik Fan garniert mit reichlich blutigen Details. Aber diese Trilogie knnte auch der Anfang weiterer Owner Episoden werden und das Ende ist nicht so befriedigend wie erhofft.

Kurzbeschreibung Jupiter War is the third book in Neal Asher's near-future, science fiction Owner series. Alan Saul is now part human and part machine, and our solar system isn't big enough to hold him. He craves the stars, but can't leave yet. His sister Var is trapped on Mars, on the wrong side of a rebellion, and Saul's human side won't let her die. He must leave Argus Station to stage a dangerous rescue -- but mutiny is brewing on board, as Saul's robots make his crew feel increasingly redundant. Serene Galahad will do anything to prevent Saul's escape. Earth's ruthless dictator hides her crimes from a cowed populace as she readies new warships for pursuit. She aims to crush her enemy in a terrifying display of interstellar violence. Meanwhile, The Scourge limps back to earth, its crew slaughtered, its mission to annihilate Saul a disaster. There are survivors, but while one seeks Galahad's death, Clay Ruger will negotiate for his life. Events build to a climax as Ruger holds humanity's greatest asset -- seeds to rebuild a dying Earth. This stolen Gene Bank data is offered at a price, but what will Galahad pay for humanity's future? Pressestimmen This dizzying and unusually thoughtful space opera . . . The result is a challenging, extremely satisfying read. (Publishers Weekly) Werbetext The stunning conclusion to this high-octane space opera series - where war is coming to the depths of space . . .
