zu lesen.. die Seiten fliegen einfach so durch die Hnde und wie immer gibt es viel zu schmunzeln und zu lachen...Der Titelheld "Clint" ist halt ein echter Kerl.. harte Schale, Butterweicher Kern.....Ein weiterer schnes Teil aus der Lori Foster Serie der einfach Lust auf mehr macht..0 von 0 Kunden fanden die folgende Rezension hilfreich. Wonderful romantic suspenseVon S. FischerWhen Julie Rose, a rich but down-to-earth heiress, is kidnapped her ex-fiancee hires Clint Evans to save her. Clint has experience with such cases and manages to find and save her from the kidnappers. But the person who hired them is still unknown and Julie is at risk. While trying to keep her safe, Clint and Julia are quickly and intensely attracted to each other. But finding out who's threatening her proves difficult and dangerous...Both characters, as well as the supporting characters, are simply wonderful. The book has a beautiful mixture of suspense and romance. I enjoyed it a lot and would definitely recommend it.It is connected to three series by Lori Foster - The Winstons, The Sommers Sisters and Visitation. The series so far is:The Winston BrothersWildSay No to Joe?FantasyThe Secret Life of BryanSay No to Joe?The Secret Life of BryanWhen Bruce Met Cyn...Just a Hint: ClintJamieDeuces Wild (in Double the Pleasure)Hart and Soul (in Double the Heat)0 von 0 Kunden fanden die folgende Rezension hilfreich. clint - mann meiner trume!Von gudditypisch lori foster liest sich der roman um clint und seiner heldin julie rose mit viel freude und witz!clint der unwillige repo-man scheut sich vor gewalt, ist aber dennoch jederzeit bereit unrecht mit vollem krpereinsatz zu bekmpfen. und was fr ein krper! wow! natrlich kommt er der schchternen lehrerin rose zu hilfe, als diese entfhrt wird. danach ist klar, da die beiden freinander bestimmt sind, wenn es auch noch ein paar bsewichte zu ergreifen gilt...nun, die story macht spa, es gibt viele witzige ideen, die charaktere sind liebevoll ausgedacht, und man wnscht sich nach visitaion, north carolina, nur um einmal clint und die anderen helden der stadt kennen zu lernen.volles punktzahl fr clint und julie rose!

KurzbeschreibungSome Days, It Doesn't Pay To Get Out Of BedThat's what crosses Clint Evans's mind the minute he takes on the four thugs holding heiress Julie Rose hostage. It isn't the danger that has Clint in a lather, but Julie herself. The pretty, petite schoolteacher he's been hired to return to her wealthy fianc is no fainting trust-fund baby. She's more of a hellcat, one who won't be deterred when she sets her sights on something. And her sights are set on Clint.The one rule Clint never breaks is this--don't get involved with the client. He can look, but he definitely cannot touch--even if it's driving him crazy. Keeping Julie safe until he can figure out who's behind her kidnapping means never letting her out of his sight. And the closer he sticks to the feisty, seductive woman who makes him feel alive...the harder it gets for him to ever consider letting her go..."Foster writes smart, sexy, engaging characters."--Christine Feehan"A Lori Foster book is like a glass of good champagne--sexy and sparkling."--Jayne Ann KrentzFrom BooklistClint Evans is a kind of repo man. The dangerous kind. For a fee Clint will retrieve things that have been stolen or people who have been kidnapped, even if he has to stretch the law to the breaking point. Julie Rose has been kidnapped, taken to a secluded hunting cabin, manhandled, abused, and threatened with rape. Much to her amazement, an unarmed man appears and casually takes out the four villains as easily as if they were insects. Clint is immediately taken with Julie Rose, and the feeling is mutual. However, Clint must find out the identity of the mastermind behind her abduction, even if it means risking his own life. Suspenseful, sexy, and humorous, Foster's tale of a flawed man and an imperfect woman who together make a perfect couple is the fourth title in her popular Visitation series (Say No to Joe, 2003; The Secret Life of Bryan, 2004; and When Bruce Met Cyn, 2004), and readers will be pleased with the continuity.
