A pampered Southern belle and a hardened mercenary soldier?Von Joyously Retired TeacherNo, it's not a joke. The story takes place in the jungles of the Philippines during a violent revolution. Sam is a one-eyed mercenary soldier who runs

across Eulalie Grace LaRue, a 19-year-old Southern belle who has come to meet the ambassador-father she hasn't seen for 17 years. She and Sam are forced to flee together for their lives through a dangerous jungle full of mud, bugs, precipices, and scantily-dressed natives. From the moment he meets her, ghetto-raised Sam despises Eulalie Grace LaRue, who had been protected from the realities of the cruel world by her older brothers. It isn't just her pampered princess upbringing that annoys him. . .there is also the shrill screaming that threatens his hearing, the constant complaining, the singing, the many disasters that she causes whenever he turns his back. Well, Lollie tells herself she doesn't care what he thinks because. . . well, no true gentleman would treat a lady in such a spiteful way. As their hair-raising adventures continue, however, both Sam and Lollie begin to see beneath the surface. Sam realizes that Lollie, in spite of her ladylike airs, suffers from a lack of self-confidence brought on by her father's abandonment and the overprotectiveness of her brothers. Lollie realizes that Sam's tough exterior is a defensive mechanism that he uses to keep people, emotions--and hurt--from getting too close. After reading this book--which I could hardly force myself to put down--I have to agree with Sam, who, when asked by Lollie why he loves her, replies: "Because God has a sense of humor." And so, obviously, does Jill Barnett. Nice job!

Von Ein Kunde This was the first book I've read by Jill Barnett I thoroughly enjoyed it. Very, very funny. I thought the author did a really good job with her characters descriptions. Lots of the scenes phrases have lingered in my mind for a long time. I would highly recommend it.

Kurzbeschreibung After arriving on a lush Pacific island, Eulalie Grace LaRue is to be finally reunited with the absent father she hasn't seen since childhood. Yet before her long dreamed-of meeting can take place, the lovely but pampered Southern belle is caught in the crossfire of a violent revolution and thrown into the rugged arms of American mercenary soldier Sam Forester. On the run in the jungle, this battle-scarred soldier of fortune hasn't a clue what to do with the naive blonde in his care. Survival is his top priority, but he can not resist Lollie's endearing, helpless, and laughable charm...or deny the growing attraction between them. Though Sam thrives on chance and risk, falling in love is the one chance he isn't willing to take. Powerless against the desire that consumes them both, Lollie surrenders to his passionate embrace. But when he dismisses her affections, she is determined to fight for him, to prove that in the steamy heat of paradise, two hearts can find the love of a lifetime.
