Stephen King - Different Seasons - SignetVon zfugoVier Geschichten fr jede Jahreszeit und (fast) alle sind gelungen.'Shawshank Redemption' ist ein Meisterwerk, eine unglaublich interessante und packende Gefngniserzhlung.'Apt Pupil' handelt von einem Teenager, der einem ehemaligen Konzentrationslager-Direktor auf die Schliche kommt und dessen Leben, sich immer mehr mit dem des Alten verwickelt. Auch ein interessantes und dsteres Thema, das einen aber ein bisschen ratlos zurcklsst und keine sympathischen Hauptcharaktere bietet.'The Body' ist dann wieder ein wahres Meisterwerk, vier Freunde, die nach einem toten Jungen suchen und dabei, so manches frs Leben lernen. Freundschaft und Erwachsenwerden pur, grandios.'The Breathing Method' ist eine recht klassische Horrorstory, sie ist unterhaltsam, lsst aber so manche Frage offen.Fazit: Mir gefllt dieses Buch sehr. Auch wenn zwei Geschichten davon nicht ganz so stark sind, ziehen ihre beiden Kollegen den Schnitt hoch und lassen mich gerne fnf Sterne vergeben.0 von 0 Kunden fanden die folgende Rezension hilfreich. Right in time and good!Von FlorinEverything was just fine! It came right in time, with no delays, and the quality is good! Nothing else to say than WELL DONE!0 von 1 Kunden fanden die folgende Rezension hilfreich. Was soll man ...Von Frank Wisniewski... dazu viel sagen? Stephen King, eben. Nicht weniger. Und im Original allemal besser zu lesen und zu verstehen als in den teilweise nur schwer nachvollziehbaren bersetzungen (wer IT / ES sowohl-als-auch gelesen hat, wei, was ich meine), denn er ist nicht nur der Gruselmeister, sondern auch der englischen Sprache meisterlich fhig. Punkt.

KurzbeschreibungA stunning collection from international bestseller Stephen King that displays his phenomenally broad readership (stories published in The New Yorker, Playboy, and McSweeneys and including the 25,000 word story Gingerbread Girl published in Esquire).Stephen Kingwho has written more than fifty books, dozens of number one New York Times bestsellers, and many unforgettable moviesdelivers an astonishing collection of short stories, his first since Everything's Eventual six years ago. As guest editor of the bestselling Best American Short Stories 2007, King spent over a year reading hundreds of stories. His renewed passion for the form is evident on every page of Just After Sunset. The stories in this collection have appeared in The New Yorker, Playboy, McSweeneys, The Paris , Esquire, and other publications. Who but Stephen King would turn a Port-O-San into a slimy birth canal, or a roadside honky-tonk into a place for endless love? A book salesman with a grievance might pick up a mute hitchhiker, not knowing the silent man in the passenger seat listens altogether too well. Or an exercise routine on a stationary bicycle, begun to reduce bad cholesterol, might take its rider on a captivatingand then terrifyingjourney. Set on a remote key in Florida, The Gingerbread Girl is a riveting tale featuring a young woman as vulnerableand resourcefulas Audrey Hepburns character in Wait Until Dark. In Ayana, a blind girl works a miracle with a kiss and the touch of her hand. For King, the line between the living and the dead is often blurry, and the seams that hold our reality intact might tear apart at any moment. In one of the longer stories here, N., which recently broke new ground when it was adapted as a graphic digital entertainment, a psychiatric patients irrational thinking might create an apocalyptic threat in the Maine countryside...or keep the world from falling victim to it. Just After Sunsetcall it dusk, call it twilight, its a time when human intercourse takes on an unnatural cast, when nothing is quite as it appears, when the imagination begins to reach for shadows as they dissipate to darkness and living daylight can be scared right out of you. Its the perfect time for Stephen King.Pressestimmen'Edgy and haunting' -- The Scotsman 'Scary yet satisfying short stories, with the master of horror fiction at his very best.' -- Daily Express 'Spooky, mysterious, gripping and satisfyingly scary' -- Sunday Telegraph 'His most accomplished work: 13 beautifully turned tales, no two of which are alike' -- Daily Express 'Highly visual, darkly comic, exceedingly disturbing' -- Observer 'King has the ability to capture the reader's imagination from the first page of each tale with his clever and terrifying storytelling.
