Touching Coming Of Age RomanceVon DaveI love a good coming of age romance story and this one did not disappoint. The characters were well done and completely believable. Not everything was roses for our heroine, Demi, and the hero of the story's character left something to be desired, completely shirking his responsibilities when Demi needed him most.But I get that... he was very much under the influence of his controlling father. To me this made the story all the more believable. After all, girls do get themselves into trouble, and guys don't always do the right thing; that's so true to life.And teenagers don't always have the most perfect parents in the world. There were times when I found myself really getting angry at Arthur's parents. I did admire Demi's dad a lot though. He was so warm and loving for his daughter, just a little lost on how to deal with the situation sometimes, but he was always there for

her. The one character to really be admired was Jarred, Arthur's little brother. Hard to admit, but at one point I did cry a little and that isn't easy for any book to bring out in me. So I give it 5-stars for bringing that emotion out in me. The story flowed smoothly from beginning to end, with lots of twists and turns to keep the story fun and interesting. Great ending too. Very well written and highly recommended if you enjoy coming of age romance stories.

Kurzbeschreibung Arthur Cooper is the star quarter back and all round heart throb of Collinswood High School. Demi Mitchell is the A-student girl who likes poetry and dreams of following in her lost mother's footsteps of becoming a nurse. When Arthur and Demi's worlds collide they touch each others lives in a way neither of them could ever have expected. But what happens when you don't get the happy ending? When the love of your life leaves...can you pick up the pieces and is there any hope for a future? In this heart warming and sometimes tear jerking story, follow the lives of these 2 young adults fresh out of high school as their lives intertwine with each other and touch those around them, finding true love in each others arms, promises hard kept and ultimately coming to grips with the difficult decision on what is truly the most important thing in life. This is a story of young love you will not soon forget.
