Von Joan Elliott Pickart : Just My Joe (Silhouette Desire) before purchasing it in order to gage whether or not it would be worth my time, and all praised Just My Joe (Silhouette Desire):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Without substance!Von Ein KundeI am an avid reader and I would have to say that this is the worst romance I have ever read. It was so unbelievably corny and without substance that I found myself skipping pages just to complete it. The section where Joe finds out the students reaction to his choice of neighborhoods is laughable. Why was he upset? Does anyone see any depth to any of the "issues" this couple is facing???? Oh brother. I was just disgusted that I wasted a few hours reading this. I will note this author's name so that I never purchase another one of her books.0 von 0 Kunden fanden die folgende Rezension hilfreich. Wonderful!Von W. MorrisI found the story to be very engaging and the

characters well developed. I read a lot of books (not just romance) and I couldn't put this book down!

KurzbeschreibungSOMETHING ABOUT JOETall, darkand arrogant#151that was Polly Chapman's first impression of Joe Dillon. But then she took a closer look. Born with a sterling-silver spoon in his mouth, Joe chose instead to live modestly among the inner-city kids he taughtand took under his broad, protective wing. Drop-dead gorgeous, he had his pick of womenbut he chose to pursue Polly, who considered herself well out of his league. Because Joe wasn't a man she could kiss, cuddle, then walk away from. He was her dream come true, and Polly didn't trust in dreams anymore.But then, she'd never met a guy like Joe before.KurzbeschreibungSOMETHING ABOUT JOETall, darkand arrogant#151that was Polly Chapman's first impression of Joe Dillon.
