End Dating, Book Four Von Detra Fitch Lil Marchette has been around for centuries and has seen just about all the world has to offer, the good and the bad. Now she resides in New York and owns Manhattan's hottest dating service. Lil's clients are not always human either. Still, the last person Lil expected to see was Vinnie Balducci, a member of the Snipers of Otherworldly Beings "SOB". Vinnie informs Lil that she has three days to find him the perfect wife or be staked. Vinnie's perfect wife would not be easy to locate with a year's time, much less three days because the woman must conform to Vinnie's detailed list. At the same time, the three demon Prince brothers are after a rogue spirit who has possessed a human. Big problem is that the possessed human is Lil's assistant, Evie. ***** This entire story is filled with sass, kick-butt adventure, and humor. The author has definitely made a name for herself in the Urban Fantasy field. As much as I enjoy Lil (and most of the other characters), I could not help but enjoy Dr. Mandy Dupree even more. Perhaps some day Mandy will get her own series. (Hey, it could happen!) In the meantime, readers will enjoy the latest installment of the D.E.D. series. I look forward to the next story. ***** Reviewed by Detra Fitch of Huntress Reviews.

Kurzbeschreibung THE STAKES HAVE NEVER BEEN HIGHER. Lil Marchette, vampire extraordinaire and owner of Manhattan's hottest hook-up service, is an expert at matching up the lonely and desperate (and sometimes dead). And thanks to the popular local reality dating show Manhattan's Most Wanted, Lil has plenty of fresh blood to add to the mix including the biggest, baddest vampire in the Big Apple. Vinnie Balducci, Brooklyn representative for the Snipers of Otherworldly Beings, is making Lil an offer she can't refuse: find him the perfect woman or she's going to be swimming with the fishes. But Lil may not be the only one taking the plunge. The three hunky demon Prince brothers are poking around Lil's office hot on the trail of a rogue spirit trying to escape the land down under (not Australia) by possessing some poor, clueless human soul. Then Lil makes a startling discovery: The oblivious human vessel is none other than her loyal assistant, Evie. Between saving Evie from eternal damnation and saving herself from Vinnie's lethal ultimatum, Lil is sure to be in for the most hellish ride of her afterlife. Lil is a likable mix of Bridget Jones, Carrie Bradshaw and Dracula charming, sweet, stylish, with just a hint of fang. Parkersburg News and Sentinel From the Paperback edition.
