Von Mary Higgins Clark : Just Take My Heart: A Novel (English Edition) before purchasing it in order to gage

whether or not it would be worth my time, and all praised *Just Take My Heart: A Novel (English Edition)*:

KurzbeschreibungIn her new thriller, America's #1 bestselling Queen of Suspense delves into a legal battle over the guilt or innocence of a man accused of murdering his wife. Woven into her plot is an eerie, little-understood but documented medical phenomenon -- the emergence of a donor's traits and memories in the recipient of a heart transplant. Natalie Raines, one of Broadway's brightest stars, accidentally discovers who killed her former roommate and sets in motion a series of shocking events that puts more than one life in extreme peril. While Natalie and her roommate, Jamie Evans, were both struggling young actresses, Jamie had been involved with a mysterious married man to whom she referred only by nickname. Natalie comes face to face with him years later and inadvertently addresses him by the nickname Jamie had used. A few days later, Natalie is found in her home in Closter, New Jersey, dying from a gunshot wound. Immediately the police suspect Natalie's theatrical agent and soon-to-be-ex-husband, Gregg Aldrich. He had long been a "person of interest" and was known to have stalked Natalie to find out if she was seeing another man. But no charges are brought against him until two years later, when Jimmy Easton, a career criminal, suddenly comes forward to claim that Aldrich had tried to hire him to kill his wife. Easton knows details about the Aldrich home that only someone who had been there -- to plan a murder, for instance -- could possibly know. The case is a plum assignment for Emily Wallace, an attractive thirty-two-year-old assistant prosecutor. As she spends increasingly long hours preparing for the trial, a seemingly well-meaning neighbor offers to take care of her dog in her absence. Unaware of his violent past, she gives him a key to her home... As Aldrich's trial is making headlines, her boss warns Emily that this high-profile case will reveal personal matters about her, such as the fact that she had a heart transplant. And, during the trial, Emily experiences sentiments that defy all reason and continue after Gregg Aldrich's fate is decided by the jury. In the meantime, she does not realize that her own life is now at risk. A compelling novel that probes the mysteries of the human heart and mind, *Just Take My Heart* is Mary Higgins Clark's most spellbinding tale.

PressestimmenIntense . . . the action hurtles to a surprising resolution. Publishers WeeklyA must-read for mystery enthusiasts. Tucson CitizenFans will be as excited as ever coming down the home stretch. Kirkus s
