Von Sarah Johnson : Just to Hear 'I Love You': An Alternate Tale of Jane Austen's 'Pride Prejudice' (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Just to Hear 'I Love You': An Alternate Tale of Jane Austen's 'Pride Prejudice' (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Na

ja Von flux Ich habe dieses Buch gekauft, nachdem ich die begeistertsten Rezensionen gelesen hatte, und auch weil die Geschichte interessant klang. Die erste Hälfte des Buches erfüllte meine Erwartungen auch wenn alles ein bisschen zu glatt ging. Es gibt zB einige Einwände seitens seiner Familie, wenn Mr. Darcy seine Verlobung mit Elizabeth bekannt gibt, aber im nächsten Kapitel sind sie schon verstummt. Georgiana als pubertierende Gre war aber eine willkommene Abwechslung. In diesem Buch darf sie so richtig bse und eckelhaft sein (wie Jugendliche eben manchmal sein können). Aber ab dem Zeitpunkt, wo Mary heiratet, wird alles immer seichter... Die Bsen werden plötzlich nett, Georgiana wird wieder zur gewohnten "grauen Maus", es ist alles eitel Wonne und Sonnenschein und das ist ziemlich unglaublich, allen voran Mr. Bingleys Hochzeit, oder das veränderte Verhalten von Col. Fitzwilliams Eltern. Ich gebe 3 Sterne für den guten Anfang aber der Rest ist ziemlich enttäuschend. Von 0 Kunden fanden die folgende Rezension hilfreich. One of the better ones Von Beate Dobbratz I really liked that book. It is right out of the normals. And it sends us on a really interesting journey. With the oldest and the two youngest sisters gone, it is only Elizabeth and Mary (whom I already in the original Pride and Prejudice thought underestimated) and these two intelligent, well-read and tough ladies, working their lives with the men they are determined to - with all the difficulties the "ton" and relatives deliver. And the difficulties Georgiana delivers. Oh what phantasy. A book never to stop...

Kurzbeschreibung Mary Bennets life changes forever when a childhood accident leaves her isolated in a silent world. Her sister Elizabeth emerges as her fiercest champion and unstinting protector. When further tragedy befalls Longbourn, Aunt and Uncle Gardiner embrace their orphaned nieces into their London household. Mary and Elizabeth must face the disapprobation of London society as they endure a Season of intense scrutiny. Will Marys own dearest wish just to hear I love you ever come to be, or will her deafness forever consign her to life apart? The sisters must face their past and Marys worst critic when another familys tragedy lands directly on their doorstep. Will they both have the strength to return love from unexpected suitors? Married to her own Mr Darcy for sixteen years, they traveled the world thanks to the US Army. Now back in the civilian life and settled in Texas, where she grew up, they focus on homeschooling their six children and participating in church and community activities. She can often be found writing a manuscript between spills, science labs, and pencil wars, or late into the night when the house is finally still enough for her imagination to run wild! When she has a few spare moments, she enjoys just about anything crafty scrapbooking, painting, sewing, quilting, crocheting basically anything except knitting, a craft she swears few left-handers truly ever pick up well. A devotee of all things Jane Austen, she enjoys exploring the story lines Jane never lived long enough to give the world. She is often found discussing with her online friends the intricacies of the novels we do have from our dearest author. It is these discussions that often lead to the plot bunnies that have now become many stories over the last few years, and hopefully further into the future as well.
