plot and protagonists, very very well written Von Hoener, Birgit Great mix of paranormal romance and cop story, reminding me a bit - not quite as good, and without the vampire protagonist - of J.D. Robb's "In Death" series. The story in a nutshell: Tough Cop Sydney meets Vampire Kade on a case, and whilst trying to find and catch the murderer, the air between them is sizzling, very reluctantly so on Sydney's side. The protagonists are brilliantly described, we have a good plot, and a narration style which keeps the tension up - both between the protagonists and chasing the murderer - enough so that I found it very very difficult to put this book down before having read the last word! A brilliant start to a series, and I cannot wait to get my hands on the 2nd book, Luca's story. Definitely a recommendation from me. 1 von 1 Kunden fanden die folgende Rezension hilfreich. exiting and great read Von IH.Bertram Eine wirklich spannende, "zauberhafte" und uerst heisse phantasy- lovestory! Die Charaktere waren gut gezeichnet, der "Alpha - Vampir -Hero" ausgesprochen sympatisch und seine toughe menschliche - (erst) Gegenspielerin -Partnerin - schlielich Geliebte nicht minder. Der Schauplatz - erst die Mordkommission in Philadelphia dann New Orleans mit heissen Zutaten wie Voodoo und schwarze Magie praktizierende psychopathische Vampirin und Zauberer gibt der Story viele Farben. Empfehlenswert fr jeden, der romantisch-heisse Vampir-Stories mag 0 von 0 Kunden fanden die folgende Rezension hilfreich. Solving a paranormal homicide just became smoldering hot. Von Jean Smith Ok, Im going to be honest here. I saw paranormal", New Orleans, and erotic, and said, ok I need to read this one before I review Jax. It certainly didnt hurt that the book is [censored] at the moment. Im not sure if its always [censored], but if youre like me and want the chance to see where this series started now is a good time to do it. Having read it, I can tell you, you will not be disappointed if your reading tastes are anything like mine.... Vampires, werewolves, witches, voodoo, mages and [censored] heroines definitely my kind of read. Kades Dark Embrace starts out in Philadelphia. So the first thing I was asking was Hey, I thought this book was about the Immortals of New Orleans? Well, it is silly! Have a little patience. Sheesh! Sydney is a detective for Philadelphia homicide and the story has to start somewhere. This is one smart mouthed, [censored] detective and its not her first ride at the rodeo. She has a few scars to prove it. What amazed me about Sydney is that her previous run in with a tiger shifter hadnt turned her totally against all paranormal creatures. She may not want to hand her case over to the Paranormal City Alternative Police or P-CAP for short, but she has no problem hanging out with paranorms. In fact, her regular [censored] call is with the werewolf alpha of the city, Tristan. (Note to self: read Tristans Lyceum Wolves.) Shes also learned to gear herself up for run-ins with the preternatural set silver bullets, chains, and stakes are but a smattering of her arsenal and she knows how to use them. When Kade Issacson shows up at her latest homicide scene wanting to claim authority over the case for P-CAP, Sydney lets her mouth spew. It doesnt matter how pretty this nice piece of eye candy is, he is not taking over her case even if he does have her [censored] in a total uproar. And, if there is one thing Sydney knows, its that Mr. Kade Issacson is not a detective with his fancy shoes, tailored suits and chauffeured limo. Kade is instantly drawn to the detective. While regular [censored] partners are nothing new for Kade, actual lovers have been few over his centuries as a vampire. Wanting to claim someone as his own never happened before. But before there can be any claiming, Kade has to make sure his headstrong detective is kept alive, especially with the nasty piece of work he thinks they are dealing with. Vampiric vodun priestess ex-lovers are not a thing to scoff at and this one is out to claim him whether he wants her or not and at the expense of anyone who gets in her way. So when the threats get a little too close to home in Philadelphia, Kade takes Sydney on a hunting trip in New Orleans. Being the head of the paranormal community in New Orleans certainly helps. Id tell you more, but umm nope. Youre going to have to read it to find out for yourself. I will tell you that the vibes these two have going for each other are explosive. The [censored] will leave your [censored] wet and have you regularly fanning yourself. The story is fairly fast paced. The suspense and thrills will definitely keep you engaged. So, why havent you picked up your copy yet? [This review has been heavily censored to meet standards (which may be very subjective and not clearly defined.) Kurzbeschreibung From NYTs and USA Today Bestselling Author Kym Grosso An erotic paranormal romance... After a series of girls are ritualistically murdered on the cold streets of Philadelphia, seasoned detective, Sydney Willows, is forced to work with sexy, alpha vampire, Kade Issacson. While working the case, Sydney finds herself inexplicably drawn to Kade, fighting the passion she feels towards him. Kade, determined to solve the case and mete out justice, is captivated by the independent, fiery detective. As he attempts to protect her from a very real murderer, Kade grows concerned that the beautiful, but very human detective, could easily end up dead should she tangle with supernatural forces that are beyond her control. The investigation leads them into a dark and dangerous world, deep in the heart of New Orleans, where together, they search for the perpetrators of the Voodoo killings. Sydney soon becomes the target of the killer and ends up fighting for her life and love in the Big Easy. If she makes it out alive, will she give into the intoxicating desire she feels for Kade? EDITORIAL REVIEWS: "This is a fast paced read that had me hooked from the beginning. Ms. Grosso grabs your attention and doesn't let go.
