steamy and sexy! It turned me already on as I saw "it is not suitable for anyone under the age of 18" and it was definitely not suitable for the reading in public! The sex scenes were not only HOT, but tastefully done. My panties burned right off my body! The seven Walker brothers are hard working, wealthy, super hot, bad boys who are looking to set up an exclusive sex club. In this book, Kaleb and his brothers are looking to buy a part of Zoey's dad land that's been in their family for many years. So, we have Kaleb and Zoey, best friends for as long as they can remember, finally succumbing to the simmering sexual attraction that has long been repressed between them because they fear the damage they could do to their friendship. When they finally come together OMG!!! The sexual tension between these two is so thick you can taste it! Speaking of sexual tension lets not forget about Gage, Kaleb's best friend But I dont want to ruin the story with the juicy details Who knew how hot threesomes could be! I am now a fan of Nicole Edwards for life! The Walker men are just mouth watering and I look forward to more adventures and hotness from them! Warning: This book contains m/f/m menage, exhibitionism, voyeurism, graphic language. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Hot hot walker Von MeII bought this book because i liked the storyline and was searching for a hot read. But i certainly did not expect this mouthwatering and panty melting hot. I do read quite a bit of erotica but most of them its more hype than they really deliver, but the AI Serie really delivered :) Imagine how happy i was as i found out that we have seven extremely hot cowboys here. Highly recommend 0 von 0 Kunden fanden die folgende Rezension hilfreich. Need me a Walker Brother!!!! Von Cassandra That is hot!!!! One of those reads where you shouldn't wear any panties at all hot!!! Can't wait to hear more from the Walker brothers :P

Kurzbeschreibung Two neighbors and long-time friends come face-to-face with their forbidden fantasies in this sizzling ebook from New York Times and USA TODAY bestselling author Nicole Edwards. Zoey Stranford might've had a crush on the sexy boy next door since middle school, but she's a woman now, and that crush has turned into a full-blown case of lust. So why is it that at twenty-nine, her libido decides to ramp into high gear and the only thing she can focus on is the intensely sexy, scorching hot boy next door who is definitely not a boy anymore? The only problem is that Zoey and Kaleb have been best friends for as long as she can remember. Not to mention, Kaleb and his brothers are working on buying Stranford land to build a new resort, and she's more than a little hesitant about his intentions. Kaleb Walker has had his eye on Zoey for close to twenty years, but never before has he considered taking their friendship to the next level, no matter how many fantasies he's had about her over the years. That doesn't explain why Kaleb is hell bent on having her in as many ways as possible. Kaleb finds himself in a precarious situation. His brothers have nominated him to pursue Zoey's father about purchasing the land needed to get their new resort off the ground. Finding out that Carl Stranford is on the brink of foreclosure and Zoey might just lose her house and the land, Kaleb now has to convince her to put aside her pride and let him help her. It doesn't take long before the flames start burning bright and hot, and the two of them burn up the nights and the days as they explore each other's forbidden fantasies. But can their friendship survive a business transaction or the new friends with benefits clause? Or will they realize that they've been overlooking something much deeper that's been right in front of them all
