Von Joyce Harmon : Katherine, When She Smiled (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Katherine, When She Smiled (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. So la
laVon BcherliebeDie Idee dahinter klang ganz interessant. Katherine muss nach dem krzlichen Tod ihres Vaters
erkennen, dass dieser unter dem Pseudonym Mrs. Wilson sehr erfolgreiche gotische Frauenromane geschrieben hat,
die unter der feinen Gesellschaft nicht nur Anhnger hatte. Das Familieneinkommen hing mageblich von dem
Buchhonorar ab. Nun sah sich Katherine gezwungen, ein halbfertiges Buch ihres Vaters selbst zu beenden. Ihre beiden

Schwestern und Tante wussten davon aber nichts. Die Geschichte wie sie erzählt wurde, fand ich leider nicht interessant. Mir fehlte ein roter Faden, wohin alles führen sollte. Es konnte einfach keine Spannung aufgebaut werden. Sogar noch bei 60 Prozent wurde ein dritter potentieller Bräutigam eingeführt. Bis dahin las sich alles wie eine riesenlange Einleitung und plätscherte nichtssagend dahin. Bei 80 Prozent wusste man als Leser immer noch nicht, wer jetzt für wen Gefühle hegt. Davon abgesehen gab es im Buch eigentlich gar keine Gefühle. Darum würde ich dieses Werk auch nicht als Romanze bezeichnen, vielleicht als Art Abenteuerbuch oder Kinderbuch? Ich fand es jedenfalls recht fade. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Mein neues Lieblingsbuch. Von zufriedener Kundin Wer "A Feather to Fly With" noch nicht gelesen hat, hat jetzt gleich zwei Bücher, auf die er sich freuen kann. Harmons Charaktere sind vielfältig, liebenswert und glaubwürdig, und dabei alles andere als altbekannt. Spannung, Liebe und Spa.... Schade, dass ich es schon gelesen habe.

Kurzbeschreibung Katherine Rose has a secret. She was shocked to discover that her late father, a famous scholar, was secretly the author of lurid Gothic novels. These novels, wildly popular though critically disparaged, are her family's main source of income. His last novel is unfinished and soon due at the publisher! In the family's dire financial straits, Katherine must take up the fallen pen and finish the manuscript of a form of literature she has always disdained, while all around her the neighborhood goes mad over the arrival in their midst of a handsome and single young lord. Lord Charles Ramsey is home from the wars and ready to settle down. He's looking for a suitable wife a nice, easy-going lady, a jolly girl. The last thing he needs is a complicated, clever, critical young lady with secrets. Katherine and Lord Charles each have their own plans. But novel writing is more difficult than it looks, and finding a suitable wife is less straightforward than Charles imagined. And romance isn't always where you expect it to be. (Author's Note: Katherine, When She Smiled takes place in the same universe as my previous Regency romances. It occurs after the events of A Feather To Fly With and Regency Road Trip, but before The World's a Stage. This is a stand-alone novel, and can be read and enjoyed without having read the previous works. It is a traditional Regency and contains no sex scenes.)
