Von Sinad Moriarty : Keeping It In the Family before purchasing it in order to gage whether or not it would be worth my time, and all praised Keeping It In the Family:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. nice readVon Maria MllerNiamh O`Flaherty falls in love with a guy who couldn't be less irish if he tried. He is BLACK and 14 years older than her. She's afraid of telling her parents about him. It's a book that describes in a funny way how Niamh tries to convince her parents and relatives that it's not the colour of his skin that counts. Will they respect her

choice in the end?Not the best book I've ever read but nice nonetheless.0 von 0 Kunden fanden die folgende Rezension hilfreich. Good, clean chick-lit funVon MarzipanBuilt up to the main event of the story well, but ended a bit too abruptly...Good holiday reading...don't expect too much and you'll enjoy it!

KurzbeschreibungIn her fifth novel, *Keeping It In the Family*, Sinad Moriarty has done it again: taken a complex topic - what happens when a young woman falls in love with someone dramatically different than the kind of man her family would have expected - and created an insightful, gripping and moving story filled with delightfully sparky characters, plenty of straight-talking, and all her trademark fun and humour. In balancing of light and shade, pathos and comedy, Sinad manages to pull off a unique feat - a story that combines the provocative qualities of a Jodi Picoult story with the warmth and humour of Marian Keyes.It's tricky for Niamh O'Flaherty, growing up in a North London home that's a shrine to all things Irish. But it's even trickier being an adult and realizing that her family expects her to settle down with a nice Irish lad, especially now that she's living in Dublin.When Niamh finally meets the love of her life he is the last person she would expect to fall for her. Pierre is older and an intellectual, but she loves his ability to laugh at himself, his calmness and strength of character, and, of course, his stunning looks.There's just one problem: if Pierre's parents - Jean and Fleur - are sniffy about their pride and joy hooking up with a girl who writes a fluffy newspaper column, her parents, Mick and Annie, are going to go ballistic when they hear that their daughter intends to marry someone who couldn't be less Irish if he tried . . .Sinad Moriarty's novels have sold over half a million copies in Ireland and the UK and she is a four times nominee for the popular fiction Irish Book Award. She has won over readers and critics telling stories that are funny, humane, moving and relevant to modern women. *Keeping It In the Family* is Sinad at her very best. (It is also published under the title *Whose Life Is It Anyway?*)Sinad Moriarty lives with her family in Dublin. Her other titles are: *The Baby Trail*; *A Perfect Match*; *From Here to Maternity*; *In My Sister's Shoes*; *Pieces of My Heart*; *Me and My Sisters* and *This Child of Mine*.**Pressestimmen**Marian Keyes has for years been the undisputed queen . . . Sinead Moriarty is now a worthy competitor * *Sunday Independent* * A gift at unwrapping a good, plausible tale and creating likeable characters that you care about * *Irish Independent* * Fabulous . . . at times touching and at others genuinely hilarious * *Sunday Tribune* * Marian Keyes has for years been the undisputed queen . . . Sinead Moriarty is now a worthy competitor * *Sunday Independent* * A gift at unwrapping a good, plausible tale and creating likeable characters that you care about * *Irish Independent* * Fabulous . . . at times touching and at others genuinely hilarious * *Sunday Tribune* ***Kurzbeschreibung**In her fifth novel, *Keeping It In the Family*, Sinad Moriarty has done it again: taken a complex topic - what happens when a young woman falls in love with someone dramatically different than the kind of man her family would have expected - and created an insightful, gripping and moving story filled with delightfully sparky characters, plenty of straight-talking, and all her trademark fun and humour.
