ber den Autor und weitere Mitwirkende After spending twelve years working as an Analytical Chemist in a Metals and Minerals laboratory, Pippa Jay is now a stay-at-home mum who writes scifi and the supernatural. Somewhere along the way a touch of romance crept into her work and refused to leave. In between torturing her plethora of characters, she spends the odd free moment playing guitar very badly, punishing herself with freestyle street dance, and studying the Dark Side of the Force. Although happily settled in the historical town of Colchester in the UK with her husband of 22 years and three little monsters, she continues to roam the rest of the Universe in her head. Pippa Jay is a dedicated member of the Science Fiction Romance Brigade and Broad Universe, blogging at Spacefreighters Lounge, Adventures in Scifi, and Romancing the Genres. Her works include YA and adult stories crossing a multitude of subgenres from scifi to the paranormal, often with romance, and shes one of eight authors included in a science fiction romance anthology Tales from the SFR Brigade. Shes also a double SFR Galaxy Award winner, been a finalist in the Heart of Denver RWA Aspen Gold Contest (3rd place), the GCC RWA Silken Sands Star Awards (2nd place), and an EPIC eBook awards finalist.
