Von Dianne Harman : Kelly's Koffee Shop (Cedar Bay Cozy Mystery Series Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Kelly's Koffee Shop (Cedar Bay Cozy Mystery Series Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Recommended.Von The Wizard of OzA wonderful murder mystery unlike most I've read. This one is easy on the eye and the mind, all the while it is creeping up on you, not to punch you in the back of the head, but to tap you on the shoulder and make you jump. That is, of course, the foundation of the best of anything mysterious and just a teeny bit

scary.0 von 0 Kunden fanden die folgende Rezension hilfreich. Disappointing.Von Mohrmann, StefanieDisappointing, I guess that's a nice way of saying it. It's not a book I hate, it's not annoying the reader with obvious mistakes as in grammatical problems (that I could find - I'm not a native speaker, of course) or story line glitches. And I really don't like putting down people who have worked hard on a book. BUT.This started out fine, just what you'd expect from a cozy mystery. Nice main character, nice people all over a nice little town. Terrible things happen, ah, this is going to be good. And then the heroine - after all a woman who has managed to raise two kids single-handedly after the untimely death of her husband and who's running a successful business, so she can't be totally naive - turns out to be extremely silly. Of course, anyone who thinks they can help law enforcement solve a crime by other means than just telling what they saw and know is a little bit silly, but that's okay, that's the genre. But this one? There is no "incompetence" on behalf of law enforcement driving her, she hasn't been snubbed, nobody has pleaded to her for help, she doesn't stumble into situations, no, she goes and talks to people saying they're officially a suspect and what do they have to say to that ... And she does it only because she can. Repeatedly. And the county sherriff, who happens to be her partner, freely shares every bit of information he has with her, even though he knows she'll act stupidly (whereas she isn't quite as open the other way round). As long as she cooks for him, she can get away with anything, it seems. Actually, he even asked her to tell the parents of the victim what had happened, now that I think of it. Which member of law enforcement would do that? Now if at least there had been some humor ...Then, suddenly, the crime is solved. Hey, we still have 4 chapters to go, what are they going to be about? (I was on the audiobook at that time, I like switching back and forth). A very schmaltzy final chapter to the story and the rest were the recipes, thanks, and about the author.I can see people liking the book and giving it 5 stars - it is an extremely easy read and very clean, not a single swear word throughout, the second amendment is viewed favorably, nasty things about the dead better remain unsaid, a young girl is enlightened to the faith, the food sounds very good - plus there's a wonder dog ... But it's definitely not for me, too many books, too little time.0 von 0 Kunden fanden die folgende Rezension hilfreich. Charming and excitingVon B NelsonI dont think its easy for a writer to pull of charming and exciting but in Kelly's Koffee Shop (A Cedar Bay Cozy Mystery Book 1) author, Dianne Harman, did just that. This is a wonderful book to spend a relaxing weekend with. Its set in one of my favorite places, the Oregon coast. Kelly is a neat character smart, resourceful and likeable. Rebel was a great addition to a great cast of characters, even though he couldnt open a beer bottle. But more than the characters, I enjoyed this because of the great storytelling of the author - smooth and suspenseful with plenty of surprises and a fast pace. Loved it. Highly recommended. Five stars.

Kurzbeschreibung What would you do if your goddaughter was murdered and you found out she'd been leading a double life?Kelly pulled into the harbor parking lot next to the pier and noticed that Amber's car wasn't in its usual place and there was no sign of her. She was usually standing at the door of Kelly's Koffee Shop, waiting for Kelly to open up. Wonder what that's all about, she thought.The local residents of Cedar Bay come to Kelly's Koffee Shop for breakfast, lunch, and lots of gossip. Kelly serves it all up as she works to solve the murder of the high school Homecoming Queen. The townspeople can't believe what has happened in their sleepy little Oregon seaside town. Kelly identifies five prime suspects, but which one did it?Follow Kelly, her boxer dog, Rebel, and her boyfriend, Mike, the county sheriff, as they try to determine who the killer is in a murder that's shocked the town.Kelly's Coffee Shop is a mouth-watering mystery with recipes!This is the first book in the popular Cedar Bay Cozy Mystery Series by USA Today Bestselling Author and seven time All-Star, Dianne Harman.Kurzbeschreibung What would you do if your goddaughter was murdered and you found out she'd been leading a double life?Kelly pulled into the harbor parking lot next to the pier and noticed that Amber's car wasn't in its usual place and there was no sign of her.
